NCTC Denton County Foundation Board Building

Stronger Community Partnerships

Understanding the impact an education can have on someone life, the NCTC Foundation was established to assist students in pursuing their educational goals. Since the inception of the NCTC Denton County Foundation in 2000, over 2,800 students have received scholarship assistance. The Denton County Foundation is a branch of the NCTC Foundation a non-profit 501 (c) (3) entity and contributions to the Foundation are tax deductible.

In partnership with the college, the NCTC Foundation offers students scholarships to assist individuals in gaining marketable skills to enter the workforce and continue their education while supporting their families. The NCTC Foundation works closely with community partners, individuals and businesses to provide funding for these scholarships. Since the Foundation was established, the Foundation has awarded over $900,000 in scholarships to Denton County students attending NCTC. Denton County Foundation board members have been active in helping to build these partnerships and raise funds for scholarships. Current Foundation Board members include: John Klaiber, Norma Barker, David Gilmore, Bill Lawrence, Paige Nelson, Kathleen O'Keeffe, Fred Smith, Margaret Brennan, Ronald Johnson, Gerald Robinson, Mark Glover, and Tony Marino.
