- ⇨ Fast track and evening courses
- ⇨ No HS Diploma or GED necessary
- ⇨ Scholarships available
- ⇨ Hands-on training

Nurse Aide as a Career

Nurse Aides are in high demand in North Texas due to the growing senior population. Jobs can be found at nursing homes, memory care centers, and in hospitals as Patient Care Technicians. Nurse Aides must be certified through the State of Texas, and this certification opens more training opportunities for job holders in direct care, such as Rehabilitation Aides or Certified Medication Aides. C.N.A.s usually work in shifts and can expect hourly wages of $8 to $12 per hour depending on location and shift. Most Nurse Aides are employed full-time. Area employers include Denton and Gainesville Regional Hospitals, Lewisville Medical Center, home health agencies, and nursing homes.

Our Nurse Aide Program

NCTC's C.N.A. training program is one of the largest and most affordable in North Texas. To qualify, students must:

- Be at least 16 years of age
- Not have a criminal record with felonies , theft, or bodily harm convictions
- Complete required immunizations
- Pass basic reading and math assessments
- Take certification exam within 90 days of program completion

We offer classes in Gainesville, Corinth, and Flower Mound. Scholarships may be available to qualified students. For questions about the MATRIX Grant, call 940-668-4228.

Tuition of $799 includes books, scrubs, insurance, and fees.
