

2009 - 2010 Fiscal Year Projects

Projects in the 2009 - 2010 Fiscal Year are focused on the last two groups of projects and are focused on site-related and campus environment improvement projects.

Significantly, with the completion of the 100 building project, the 300 building can be demolished and a campus quad environment established.

Project Probable Cost of 2009-2010 Fiscal Year projects: \$12,885,139
