NCTC – A Quality Local Institution Worthy of Your Support

Since its founding in 1924, many individuals have helped to build North Central Texas College. We hope you will want to join with them as the College continues to develop and better serve our area.

The fact is, we have a partnership with you—a partnership which is not optional for either of us. We are your local college, and you are our only constituency. We depend upon those we are here to serve. Please consider how you can support your college that...

- Provides an excellent education at a reasonable cost—for both students and taxpayers.

- Is run by a locally elected Board of Regents responsive to local needs for programs and services.
- Is a major direct purchaser of local area goods & services.
- Brings millions of federal and state dollars into the local economy in the form of student aid.
- Coordinates activities that encourage new business formation and assists existing businesses—stimulating long-term economic growth.
- Exerts an annual economic impact on its service area of \$192 million, according to a recent study commissioned by the Texas Association of Community
