The Foundation is governed by a volunteer board of directors, representative of citizens and businesses in the college's service area. The Foundation Board takes great pride in serving as ambassadors for the College and in helping to sustain the work of students and faculty through private financial support.

MISSION -- The Foundation's mission is to encourage, solicit, receive, and administer gifts and bequests of property and funds for programs and activities that enhance the quality of education for NCTC students and expand the educational opportunities for Denton County and the entire service area.

GOALS -- The NCTC Foundation's fundamental, long-term goal is to build a strong endowment program to ensure quality educational opportunities for area residents. Toward that end, the Foundation is committed to fulfilling several specific objectives, including:

- increasing the number and diversity of scholarship offerings;
- integrating technology advances;
- providing support for faculty development; and enhancing educational environments.

NCTC students are local people attending a local institution and they stay in the community to become more valuable members of the local workforce. An investment in your community college truly is an investment in the local economy.
