

How to use your Login Credentials for the NCTC Systems

[Return to Campus Resources](#)

When students apply to NCTC they are assigned the information below. Currently we have the MyNCTC, Angel, CampusConnect, and Network logins available to students. The information below tells you how to use your login information with each of the corresponding systems.

Items assigned to each student:

User Name:

Student ID:

Web Pin:

Email Address: @student.nctc.edu

Here is how you will use the information listed above:

1. Logging onto MyNCTC
 - a. User Name
 - b. Student ID - Password
2. Logging onto Angel
 - a. User Name
 - b. Student ID – Password (you will probably be asked to change your password after the first login attempt).
3. Logging onto Campus Connect
 - a. Student ID
 - b. Web Pin – Password
4. Logging onto a Campus Computer
 - a. User Name
 - b. Student ID – Password

If there are any questions in regards to login information please call the helpdesk at 940-668-4284.

Thanks,
