

TSI (TEXAS SUCCESS INITIATIVE) PLAN/NCTC DEPARTMENT OF COLLEGE PREPARATORY STUDIES

Based on the placement scores you received, you are required to enroll in and attend the following College Preparatory course(s). Attendance in College Preparatory courses is MANDATORY, and students who exceed the minimum number of absences (whether excused or unexcused) may be dropped from their College Preparatory class(es). Students who are enrolled in only one required College Preparatory class in which they are NOT TSI Complete, and who are subsequently dropped from that one required class, will be dropped from their entire schedule. Enrollment in College-level courses is dependent upon continued participation in REQUIRED College Preparatory coursework.

READING	WRITING	MATH	LEARNING FRAMEWORK
<input type="checkbox"/> College Ready/TSI Complete <input type="checkbox"/> READ 0300 required (Semester: _____) <input type="checkbox"/> READ 0305 required (Semester: _____)	<input type="checkbox"/> College Ready/TSI Complete <input type="checkbox"/> ENGL 0300 required (Semester: _____) <input type="checkbox"/> ENGL 0305 required (Semester: _____)	<input type="checkbox"/> College Ready/NCTC Complete (Minimum 270 on THEA, 60 on Compass) <input type="checkbox"/> College Ready/TSI Complete (230-269 on THEA, 39-59 on Compass) <input type="checkbox"/> MATH 0310 required only if completing College-level Math at NCTC * (Semester: _____) <input type="checkbox"/> THEA score less than 230, or Compass score less than 39 (or other placement test equivalent) <input type="checkbox"/> MATH 0303 required (Semester: _____) <input type="checkbox"/> MATH 0305 required (Semester: _____) <input type="checkbox"/> MATH 0310 required (Semester: _____)	<input type="checkbox"/> Complete/Exempt based on completion of Learning Framework <input type="checkbox"/> PSYC 1300 or EDUC 1300 required based on placement in Level 1 CP coursework; MUST enroll in and successfully complete 3-credit hour Learning Framework course (Semester: _____) <input type="checkbox"/> Learning Framework class time conflicts with required College Preparatory class(es). Will have a Learning Framework hold placed on account for enrollment in subsequent semester.
<p><i>Until required College Preparatory READ courses are completed, students are restricted from taking the following: HIST 1301 and 1302, GOVT 2305 and 2306, PSYC 2301, any Literature class.</i></p>	<p><i>Until required College Preparatory ENGL courses are completed, students are restricted from taking the following: ENGL 1301, ENGL 1302, and any Literature class.</i></p>	<p><i>*Completion of an Associate's degree at NCTC requires completion of at least one College-level Math course. Additionally, MATH 1314 (College Algebra) is PREFERRED for some majors at transfer institutions, so please consult with your advisor before choosing your College-level Math.</i></p>	<p><i>Learning Framework is a course designed to develop and strengthen study skills, critical thinking skills, communication skills, and knowledge of college resources and support services. Students will also increase their self awareness by developing academic and career goals, and identify learning styles and various other factors that impact learning.</i></p>
