LIST ALL COLLEGE/UNIVERSITIES YOU HAVE ATTENDED. Include colleges such as the Univ. or Maryland or Comm. College of the Air Force that you attended or received credit from while in the military.

I plan to attend North Central Texas College and understand that I will only be certified when all required paperwork is completed and only for VA approved coursework. I also understand I must report any change in my class schedule to the Veterans Representative and they will report the change to VA.

I also understand that I will be on an NCTC Degree Plan and may only take courses that apply to that degree plan.
