All non-dual credit students were eligible to receive an award from CRRSAA funds during the Spring 2021 semester. NCTC prioritized students with the greatest need by awarding \$500 stipends to Pell recipients and \$250 stipends to all other students. In Summer 2021, students with outstanding balances since March 2020 were notified funds might be available to help with those balances. In Fall 2021 semester, students submitting paperwork documenting hardship based upon COVID-related issues were awarded up to \$2,500 stipends.

(7) Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.

Students did not have to apply for awards during Spring 2021. All students received one of the two types of award. During Summer 2021 eligible students with outstanding balances were notified by text that aid was available. Eligible students who responded to the text were awarded funds. During Fall 2021 all students were notified by text and email that awards were available to those with demonstrated need. All who completed documentation were awarded funds.
