Please read each statement below. Initial on the line to agree to the term and conditions of the loan you are requesting.

I understand that loan monies are only to be used to pay for education expenses at the school that is giving me the loan. Education expenses include school charges such as tuition, room and board, fees and indirect expenses such as books, supplies, equipment, dependent child care expenses, transportation and rental or purchase of a personal computer.

I understand that I must register for a minimum of six (6) credit hours, attend all my classes, and that the classes I have picked are part of the requirements to complete the NCTC degree plan on file for me at the Admissions Office. I understand that if all of these conditions are not met, my loan(s) may not be disbursed to my student account.

I understand that if I drop my classes before school starts my loan(s) may be cancelled and returned to the Department of Education. This could result in a balance due to NCTC that I will be responsible for paying.

I understand that before my loan(s) will be disbursed I must provide proof that I have completed Student Loan Entrance Counseling and signed a Master Promissory Note (MPN) online at the website www.studentloans.gov. I understand that if these documents are not (or have not been) completed my loan(s) may not be disbursed to my student account.
