Maximum Hours and Combinations for Fall, Spring and Summer

Fall/Spring Enrollment Term Combinations

18 credit hours maximum

Students are allowed to take up to 18 hours during any combination of terms within a 16-week semester, including up to 9 hours during the 8-week subterms. Wintermester and Maymester are not part of the 16-week semester, so an additional 3 hours can be added in these minimesters in addition to the 18 hours in the Fall and Spring terms.

The following chart shows the combinations you can use to maximize your credit hours for the **Fall/Spring 16 weeks, Fall/Spring 1st 8 weeks and Fall/Spring 2nd 8 weeks.**

+ 3 Hours to any Fall/Spring Option Above

Summer Enrollment Term Combinations

14 credit hours maximum

Students are allowed to take up to 14 hours during the summer, which can be accumulated in one of the following combinations (with no combination exceeding 14 credit hours).

The following chart shows the combinations you can use to maximize your credit hours for the **Summer I, Summer II and Summer III.**
