

# Radiography Program Priority Points Figuring Sheet

**Step One: Non-Radiography Curriculum Coursework Grade Point Average.**

Fill in your grades and calculate them using the formula down below. Must have a "C" or better!

Pre-Requisites and Co-Requisites	Semester to Be Completed	Grades
Anatomy and Physiology I (4 hours)		___
Anatomy and Physiology II (4 hours)		___
Elementary Statistics or College Algebra(3 hours)		___
Intro to General Psychology (3 hours)		___
Composition I (3 hours)		___
Humanities or Fine Arts (3 hours)		___

___ hours	A's	X 4 =	___
___ hours	B's	X 3 =	___
___ hours	C's	X 2 =	___
___ hours			___ total
<b>GPA=</b> _____			

Divide total amount by the credit hours (total / hours = GPA)

**Step Two: Figure your hours completed**

(Pre-Requisites and Co-Requisites)	Course Completed: Mark with a ✓
Anatomy and Physiology I (4 hours)	<input type="checkbox"/>
Anatomy and Physiology II (4 hours)	<input type="checkbox"/>
Elementary Statistics or College Algebra(3 hours)	<input type="checkbox"/>
Intro to General Psychology (3 hours)	<input type="checkbox"/>
Composition I (3 hours)	<input type="checkbox"/>
Humanities or Fine Arts (3 hours)	<input type="checkbox"/>

**Step Three:** What is your Anatomy & Physiology I grade? : \_\_\_\_\_

**Step Four:** What is your Anatomy & Physiology II grade? : \_\_\_\_\_

## Step Five: Figure your points!

<b>Non-Radiography Curriculum Coursework Grade Point Average:</b>  4.0 = 3 priority points 3.5 = 2 priority points 3.0 = 1 priority point	<b>GPA Priority Points:</b>  _____
<b>Non-Radiography Curriculum Coursework Completed with a "C" or better:</b>  20 hours = 3 priority points 12 hours = 2 priority points 04 hours = 1 priority point	<b>Coursework Completed Priority Points:</b>  _____
<b>BIOL2401 Anatomy &amp; Physiology I Grade:</b>  A = 3 priority points B = 2 priority points C = 1 priority point	<b>Anatomy and Physiology I Grade Priority Points:</b>  _____
<b>BIOL2402 Anatomy &amp; Physiology II:</b>  A = 3 priority points B = 2 priority points C = 1 priority point	<b>Anatomy and Physiology II Priority Point:</b>  _____
<b>Total Points</b> <b>(Maximum of 12)</b>	  _____
