25% refund if dropped on Fifth Class Day: December 18th.

No refund beginning December 19th.

*Please note that "class day" is ANY day that the College is having classes. This does not represent each individual class meeting days.

For example, a class that only meets on Tuesdays and Thursdays, does not get to count Tuesdays and Thursdays only as "class days" for the refund period. Since the college has classes on Saturdays, all Saturdays are also included in the calculation of the refund period (Saturdays count as a "class day") except for the Winter-mester.

September 7th is Labor Day and does not count as a "class day."
