

NCTC Health Science Quick Reference Sheet

	LVN	LVN to ADN	ADN/RN	Surgical Tech (AAS)	Radiology (AAS)
Pre-requisites	- TEAS Exam for Nursing: Can re-take 3 times in one year with no waiting period between attempts - Must be taken IN PERSON - Immunizations (Can take up to 7 months to complete) Optional: - Information Session - highly encouraged - Pre Requisites NOT required. Students can complete either of the following in advance of starting the program (not required): Anatomy and Physiology for Allied Health (VNSG 1420) -OR- A&P I (BIOL 2401) before the program start AND A&P II (BIOL 2402) 1st semester of LVN program TSI required for A&P 1 and A&P 2	- TEAS Exam for Nursing: Can re-take 3 times in one year with no waiting period between attempts - Can be Online or In Person - Immunizations (Can take up to 7 months to complete) Optional: - Information Session - highly encouraged The following courses must be completed with a C or above by the application deadline: - Anatomy and Physiology I (BIOL 2401) - Anatomy and Physiology II (BIOL 2402) - Elementary Statistics (MATH 1342) - Composition I (ENGL 1301) - Language/Philosophy/Culture Course OR Fine Arts Course (3 credits) - Lifespan Growth and Development (PSYC 2314) - Microbiology (BIOL 2420)	- TEAS Exam for Nursing: Can re-take 3 times in one year with no waiting period between attempts - Can be Online or In Person - Immunizations (Can take up to 7 months to complete) Optional: - Information Session - highly encouraged The following courses must be completed with a C or above by the application deadline: - Anatomy and Physiology I (BIOL 2401) - Anatomy and Physiology II (BIOL 2402) - Elementary Statistics (MATH 1342) - Points awarded for TEAS scores, Pre-requisite grades, Co-requisite completion with a C or higher and certain Allied Health active certifications.	MUST Attend Information Session (Online; recorded & livestream options) Immunizations must be complete by the application deadline (Can take up to 7 months to complete) The following courses must be completed with C or better. <u>Pre-requisites not completed by the deadline will not be awarded points:</u> - Anatomy and Physiology I (BIOL 2401) - Anatomy and Physiology II (BIOL 2402) - Elementary Statistics (MATH 1342) OR College Algebra (MATH 1314) - Composition I (ENGL 1301) - Language/Philosophy/Culture Course OR Fine Arts Course (3 credits) - Lifespan Growth and Development (PSYC 2314) - Microbiology (BIOL 2420) - Medical Terminology (HITT 1305)	TEAS Exam for Allied Health or Nursing can be taken. Can take twice in a calendar year without a waiting period. Can take Online or In Person. Minimum TEAS score must be at least 70% to apply. MUST Attend Information Session (Online; recorded & livestream options) Immunizations must be complete by the application deadline (Can take up to 7 months to complete) Minimum 2.5 GPA The following courses must be completed with C or better by program start- FALL. - Anatomy and Physiology I (BIOL 2401) - Anatomy and Physiology II (BIOL 2402) - Elementary Statistics (MATH 1342) OR College Algebra (MATH 1314) - Composition I (ENGL 1301) Strongly encouraged to complete 4th and 5th semester electives. <i>Additional points earned toward application if completed by application close.</i> - Language/Philosophy/Culture Course OR Fine Arts Course (3 credits) - General Psychology (PSYC 2301)
Timeline	1 Yr Certificate Program (FA, SP, SU or SP, SU, FA) - Traditional Fall Start (August) (Apply: March 1st - 31st) - Traditional and Hybrid + In person Spring Start (Apply: August 1st - 31st)	- Prerequisites usually take 1 yr to complete 1 Yr AAS program for LVN to RN (FA, SP, SU) - Fall Start (August) - GAINESVILLE (Apply: Feb 1st - 28st) - GRAHAM (May 1st - May 31st)	- Prerequisites usually take 1 yr to complete 2 Yr AAS program for Nursing ADN Degree (FA, SP, NO SU) - Fall Start (August) (Apply: March 1- 31) - Spring Start (January) (Apply: August 1st - 31st)	- Pre-requisites usually take 1 yr to complete 1 YR AAS for Surg Tech Program - (FA, SP, SU) 5 semester Program (including prerequisites) - Fall Start only (August) (Apply: January 1-June 15)	- Pre-requisites usually take 1 yr to complete 2 YR AAS for Rad Tech Program - (FA, SP, SU) Fall - Start only (August) (Apply: March 1-May 31) ** Students forfeit points for any pre-requisite or co-requisite taken after application period. Campus: Gainesville Admissions is determined by Points System, GPA
Additional Information	- Campuses for the Fall Start (August): Gainesville, Corinth, Bowie, & Graham - Campuses for the Spring Start (January): Gainesville, Hybrid & In Person at Gainesville - Admissions is determined by TEAS scores - Accepts 25 students each semester (per campus) - Hybrid "Online" option requires attendance in Gainesville - Can transition to ADN after competing course pre-requisites for the LVN to ADN Transition Program - Students eligible to earn CNA certification after completing 1st semester of LVN courses. <i>Student required to connect directly with Nursing department.</i>	- Campus: Gainesville & Graham - Admissions is determined by Pre-req completion, Points System and TEAS. (The points system is the same as ADN Program). <i>Point deduction for A&P 1 and 2 re-takes or withdraws.</i> - LVN Transition program accepts 20 students at the Gainesville campus and 10 for the LVN to RN transition program in Graham Transferring course work? <i>Send your official transcript AND submit a transcript evaluation request form in the my.NCTC Portal!</i>	- Campus: Gainesville - Admissions is determined by Points System, eligible pre-requisite grades and TEAS scores. <i>Point deduction for A&P 1 and 2 re-takes or withdraws.</i> - Accepts top 50 students each year - Blended Program- <i>Getting your Bachelor's degree and Associate's degree at the same time-</i> Students apply to TWU's Blended program based on pre-requisite completion, eligible TEAS scores, and ADN acceptance. For MSU students are eligible to apply if accepted into NCTC's nursing program. - BSN Bridge Program (Complete the ADN program and continue with a RN to BSN Program) BSN programs have additional pre-requisites	- Campus: Gainesville - Admission is based on Immunization completion and Pre-requisite completion. - Accepts up to 24 students each year ADN/RN Additional Info: Elective courses (NOT PRE-REQS) in the ADN program can be completed before starting the program. (This will not shorten the program's length but mean the student will not need to take these courses during the program) ENGL 1301, PSYC 2314, BIOL 2420 Language/Philosophy/Culture OR Creative Arts Course	- and TEAS Score - Accepts max of 18 – 20 students each year <i>All programs require a second application, which must be submitted after a student has applied to NCTC through their myNCTC student portal.</i>

	Fire Science	EMT	Paramedic	Health Science Pathway
Application Process	- MUST attend Information Session - HESI Exam After attending an Information Session - Physical Exam - Physical Agility Test - Immunizations - Criminal Background Check - CPR Certification <i>EMT Certification is necessary for employment therefore students can complete the EMT certificate program before the Fire certificate or after (after is recommended).</i> <i>EMT Certification Completion (if this is not done through a college credited institution they will need to take an exam to earn credit)</i> 1 semester Program for Fire Certificate (Fall or Spring start) - Applications are accepted until cohort is full - For the Spring start begin the admissions process in the Fall (August) - For the Fall begin the admissions process in the Spring (Feb/March) Campus: Corinth <i>Must complete Fire Science Certificate before taking (FIRT) Fire courses in AAS degree (core classes are an exception).</i>	- MUST attend Information Session - HESI Exam After attending an Information Session - Physical Exam - Immunizations - Criminal Background Check - CPR Certification 1 semester Program for the EMT Certificate (Fall, Summer or Spring start) - <i>summer cohort has very limited spots</i> - Applications are accepted until the cohort is full - For the Spring start begin the admissions process in the Fall (August) - For the Summer and Fall start begin the admissions process in the Spring (Feb/March) Campus: Corinth - Admissions is determined by HESI scores - Students can complete VNSG 1420 - Anatomy and Physiology for Allied Health before starting the program, rather than taking it during the program. Extra Points towards application	- MUST attend information session - Must be EMT certified by the start of the program (January) <i>EMT Certification Completion (if this is not done through a college credited institution they will need to take an exam to earn credit)</i> After attending an Information Session - Physical Exam - Immunizations - Criminal Background Check - CPR Certification 1 Yr AAS program for Paramedic Certificate (SP, SU, FA) - Spring Start ONLY (January) - Begin the application process in the Fall - Admissions is determined by HESI Scores. Campuses: Gainesville and Corinth	- No pre-requisites for this degree. - Major for all Pre-Nursing students, ADN & BSN - Includes Pre-Requisites for most BSN programs - Students complete the prerequisite coursework to transfer to a university and apply to its nursing school. - Includes the 3 pre-reqs and 4 co-reqs for ADN <i>Students applying to the ADN program do not need to complete all the courses on this pathway—only the required courses for the application. Once accepted into the program, their degree will change to the Nursing AAS degree.</i> <i>Students who complete additional coursework beyond the ADN requirements on this pathway will be fulfilling BSN prerequisites. After earning their ADN and becoming RNs, they may have all or most of the RN-to-BSN prerequisite coursework completed, allowing them to pursue their bachelor's degree more efficiently.</i> - Students who complete the Health Science Pathway before applying to NCTC's ADN program can consider Blended Programs (ADN & BSN at the same time) - This pathway includes all courses needed to graduate with the General Studies AA degrees. 42 core curriculum courses and 16 hours of electives for health science students. - Please meet with an advisor to confirm the electives are needed for the particular transfer school & major. 2 yr degree if the student completes 12-15 hours each term.
