OER IN A DAY:

STRATEGY, SUPPORT, AND SUSTAINABILITY

KEYNOTE ADDRESS

ROOM 212 | “BUILDING AN OER COMMUNITY: COLLABORATION ACROSS TEXAS”

This keynote will highlight open education initiatives and strategies for participant engagement, focusing on how Texas has been at the forefront of open education.

Dr. Elizabeth Tolman serves as a Program Director in the Division of Student Success and Institutional Partnerships at the Texas Higher Education Coordinating Board. In this role, she manages Open Educational Resources (OER) projects, grants, and professional development.

SESSION A: OER ESSENTIALS (11:15 AM - 11:45 AM)

1. ROOM 213

“First Steps: How and Where to Get Started with OER” | Dr. Natalie Allen~OpenStax

Don't know where to get started? This breakout session will help with fundamentals of locating specific and high quality OER.

2. ROOM 211

“Funding Foundations: Finding & Fueling OER” | Dr. Rochelle Gregory~University of North Texas

Why is funding in OER work important? This session will explore justifications and pathways for funding OER work.

3. ROOM 109

“Faculty Frontlines: Real OER Talk Across the Disciplines”|Kristen Weinzapfel, Sherry Smith, and Darrell Smith~North Central Texas College; Thomas Vanderburg~Tarrant County College

Faculty from English, Biology, Welding, and Economics come together to explain perspectives on OER adoption and development in each of their subject areas.

SESSION B: OER EXCELLENCE (12:00 PM - 12:30 PM)

1. ROOM 213

“Decoding Licensing: Creative Commons & Understanding Copyright”

Sabrina Mckethan~North Central Texas College

Unsure how to navigate licensing? This session will overview best practices for documenting image and text sources.

2. ROOM 211

!“Design for All: Building Bold, Barrier-Free Courses” | Dr. Rebecca Burton~Collin College

New to designing a division-wide course template? This session will provide guiding principles for designing OER-supported courses used by other faculty.

3. ROOM 109

!“Division Dialogue: Chairs Charting the Course for OER” | Justin Hawkins, Ben Owens, Lisa Smart, and Charles Adams~North Central Texas College

Division chairs from Speech, Math, English and History come together to explain perspectives on leading OER adoption and development in each of their divisions.
