2024 May-mester Refund Schedule:

These classes follow the 3 week-class-length refund period.

Classes Begin May 13th

100% refund if dropped before First Class Day: Through May 12th

70% refund if dropped First through Third Class Day: May 13th – May 15th

25% refund if dropped on Fourth Class Day: May 16th only

No refund beginning May 17th.

*Please note that “class day” is ANY day that the College is having classes. This does not represent each individual class meeting days.

For example, a class that only meets on Tuesdays and Thursdays, does not get to count Tuesdays and Thursdays only as “class days” for the refund period. Since the college has classes on Saturdays, all Saturdays are also included in the calculation of the refund period (Saturdays count as a “class day”).
