PAYING FOR COLLEGE

Business Office

Payments for Tuition and Fees - Payment for tuition and fees may be made in person using cash, personal check, or credit card. A payment can also be made or a payment plan can be set up by accessing the College's on-line registration system (MyNCTC) at www.NCTC.edu. Online payments can be made using a bank draft or credit card.

Check Cashing - Tuition and fees may be paid by personal check for the exact amount due. Checks for larger amounts, the difference to be paid in cash to the student, cannot be handled. Students should establish credit or make arrangements with a local bank to cash their checks. This can be done by opening a checking account or by communication between the hometown bank and the local banks. Proper identification is required. Student ID, driver's license or other photo identification and date of birth will be requested on all checks.

College Debts - Students who have any form of indebtedness to NCTC (housing, Library fines, etc.) will have a hold placed on their accounts when they withdraw completely from classes. Because of the hold, they will not be able to receive an official transcript nor register for subsequent semesters until such indebtedness has been satisfied.

Seriously delinquent accounts are turned over to an attorney for collection of all funds owed the college. Students whose past due accounts are forwarded for collection will also be responsible for legal fees and related costs. Refer to the NCTC Catalog for additional information.

Childcare Reimbursement Program

The Childcare Support Program, funded through the Perkins Basic Grant Program, provides financial support services for childcare for NCTC students in Career and Technical Education programs.

Want more information? Contact Angela Redeker aredeker@nctc.edu.

Financial Aid

North Central Texas College recognizes that many students may not have the financial resources to pay the cost of higher education. The NCTC Financial Aid Office is available to assist students in applying for various federal, state, and institutional funding sources. All students wishing to be considered for financial assistance must complete a [Free Application for Federal Student Aid or FAFSA](#). The FAFSA application is used to determine a student's eligibility for all need-based programs, including Federal Title IV grants, Federal Work-Study, Federal Student Loan Program, as well as state grants and some institutional scholarships.

[Undocumented students](#) wishing to be considered for financial assistance or a work-study position need to complete a TASFA Application.

Some sources of Financial Aid are limited and will be distributed to students based on a first-come-first-service basis. Therefore, the NCTC Financial Aid Office encourages students to apply early. The FAFSA application is available to students beginning October 1st of each year. In some cases, a student may be required to verify eligibility for aid by submitting supporting documents, such as tax returns. FAFSA applications will not be considered complete until all required supporting documentation is in the student's financial aid file. Late or incomplete FAFSA applications will be processed and considered for a late award.

Students who require Financial Aid to pay enrollment expenses at the time of registration must have a completed FAFSA/TASFA application on file by the semester priority deadline; May 1st for fall, October 1st for spring, and March 1st for summer.

Students with late or incomplete FAFSA applications need to set up a payment plan or pay for classes in full at the time of registration.

North Central Texas College Foundation Office offers a wide variety of scholarships each year to eligible students. See **Scholarships** for more information.

Refer to Financial Aid in the Student Services section of the NCTC Catalog for more information or you may contact the Financial Aid offices in the Gainesville Campus at (940) 668-4242 or the Corinth Campus at 940-498-6294.

Work on Campus

Students who are eligible for Financial Aid can work on campus through the Federal Work-Study (FWS) and Texas College Work-Study (CWS) programs where the student is eligible to earn up to the amount listed on his/her award letter. All jobs are located on various campus locations and currently pay \$10.00 an hour. View the current job listings and find out more by visiting the [Financial Aid: Work Study site](#).

Scholarships

The North Central Texas College Foundation awards more than 600 scholarships per semester. These scholarships are made possible by generous contributions of individuals, corporations and private foundations to assist students in reaching their educational goals. The Foundation's scholarships are generally awarded on the basis of academic achievement, financial need, community involvement and leadership. Each scholarship has different award criteria based on the terms identified by the donor, thus opening the door for scholarships for a wide variety of students. Additional scholarships are also available through various college departments, student organizations, faculty associations and other sources.

Students may access the General Scholarship Application through the student [OneLogin](#) portal and then select myScholarships app. Detailed information can be found at nctc.edu/scholarships. Application deadlines are April 15 for summer & fall semester and October 15 for the spring semester.

Food Pantry & Giving/Sharing Shelves

According to the North Texas Food Bank, one in every six people- including one in five children- in our service area are food insecure (about 800,000 and almost 300,000 respectively) which means they don't always know where they will find their next nutritious meal. Many North Texas neighbors must choose between putting food on the table and paying for health care or utilities.

NCTC is addressing food insecurity among its students and is doing so with a vision of partnership and community building. We have established a Food Pantry at our main Campus in Gainesville and Giving/Sharing Shelves on each of our campuses that will provide food and snacks for students in need. Any current NCTC student, faculty or staff in need can visit the Food Pantry, Giving and Sharing Shelves. Please contact the Coordinators and Directors for hours of operations.

The Office for Students with Disabilities (OSD) provides support services and academic advising for students with documented disabilities. Your path to academic success at NCTC may hold some unexpected challenges. The OSD will serve you if you qualify for disability accommodations as defined by the Rehabilitation Act of 1973, the Americans With Disabilities Act (ADA) of 1990 and the ADA Amendments Act of 2008.

Support services for students with disabilities include academic advising, assistance with class registration and may include appropriate and reasonable accommodations, personal counseling, academic advising and career counseling. Furthermore, OSD advisors work with students to encourage self-advocacy and promote empowerment. The advisors also provide resource information, disability-related information and adaptive technology for students who qualify.

To obtain disability support services, students must:

- be accepted for admission to NCTC;
- meet with an OSD Advisor for an intake session;
- provide documentation from a licensed professional in the medical field, psychological field, or educational field, indicating the presence of a physical or mental impairment, which substantially limits one or more major life activities.

Types of Accommodations:

After assessing your documentation, an OSD Advisor will determine the most appropriate accommodations for you. Accommodations might include:

Other Resources Provided by OSD:

- **Career Assessment:** Students will be assessed to determine their abilities and interest to assist them in selecting their career choice.
- **Referrals:** The OSD Counselors will work with other NCTC support services and community organizations to refer participants to the appropriate programs or services.

- **Inter-Agency Cooperation:** The OSD department also assists students in networking with local and state agencies that provide information resources and services to persons with a wide array of challenges. These departments include, but are not limited to, the Texas Workforce Solutions/Vocational Rehabilitation Services Division.

Service Animals

According to the Americans with Disabilities Act, a service animal is defined as "dogs that are trained to do work or perform tasks for people with disabilities."

Texas law parallels the Americans with Disabilities Act with rights and protections for service animals. Texas law provides that service animals must be trained by organizations that generally are recognized as reputable and competent by agencies involved in the rehabilitation of people with disabilities.

Requirements for service animals and their owners at NCTC include:

1. Dogs must be licensed in accordance with city regulations and wear a valid vaccination tag.
2. Any other animals that are trained for service to a person with a disability must have vaccinations appropriate for that type of animal.
3. Animals must be in good health.
4. Any service animals occupying NCTC housing must have an annual clean bill of health from a licensed veterinarian.
5. Animals must be on a leash at all times.
6. The owner of the service animal must be in full control of the animal at all times.
7. The owner is responsible for appropriate waste clean-up and overall cleanliness of the animal.

The service animal owner is responsible for the appropriate management of his or her animal in all NCTC facilities. Disruptive and/or aggressive behavior on the part of the animal may result in the owner being asked to remove the animal from NCTC facilities.

Students with Service/Assistance Animals

Students with disabilities desiring to use a service animal on campus must contact the Office for Students with Disabilities (OSD) to register as a student requesting to use a service animal. OSD will assist the student in determining any additional accommodations appropriate to the functional limitations of his or her disability, if needed.

A student with a disability who uses a service animal and who resides in campus-owned housing is required to alert Residential Life of the animal's status.

Etiquette with Service/ Assistance Animals

- Allow a service animal to accompany the owner at all times and everywhere on campus except where service animals specifically are prohibited.
- Do not pet a service animal: petting a service animal when the animal is working distracts the animal from the task at hand. Service dogs typically wear a leather harness, scarf or sign to indicate they are working animals.
- Do not feed a service animal. The service animal may have specific dietary requirements. Unusual food or food at an unexpected time may cause the animal to become ill.
- Do not deliberately startle a service animal.

- Do not separate or attempt to separate an owner/handler from her or his service animal.

Companion/Therapy Animals

A pet can be considered a companion or therapy animal. A therapy animal does not assist an individual with a disability in the activities of daily living. The therapy animal does not accompany a person with a disability all the time, unlike a trained service animal that is always with its owner. Thus, a therapy animal is not covered by laws protecting service animals and giving rights to service animals. Contact the Office for Students with Disabilities (OSD) for more information about service and assistance animals.

Testing Services Center

The mission of NCTC Testing Services is to provide high-quality testing services that adhere to the professional standards and guidelines to meet the needs of students, faculty and community members.

The Testing Center exists to support the integrity of the testing process by creating an environment conducive to productive testing, providing great customer service by accommodating students and collaborating with faculty, administrators, other colleges and universities and working with testing vendors and national organizations to keep abreast of best practices.

The Office of Testing Services serves as the center for administering tests, including:

- [College Level Examination Program](#) (CLEP) tests for course credit
- High school equivalency tests of the [General Educational Development](#) (GED®) program
- Ability to Benefit (ATB)
- The statewide [TSIA2 Assessment](#) to determine placement in college courses
- [Technical program assessment exams](#) (e.g. TEAS, HESI)
- [Makeup exams or proctored exams](#) required for online courses

Texas Success Initiative (TSI)

The Texas Education Code, Section 51.403(e), authorizes the Texas Higher Education Coordinating Board to establish guidelines and reporting requirements. The purpose of Chapter 4, Subchapter C, is to implement the Texas Success Initiative for Texas public institutions of higher education. This includes assessing the academic skills of each entering undergraduate student prior to enrollment.

It is the intent of the Texas Higher Education Coordinating Board that Texas public institutions of higher education use the flexibility and responsibility granted under these rules to improve individualized programs to ensure the success of students in higher education.

The following students are exempt from TSIA2:

- Students who have graduated with an Associate's degree or higher from an accredited institution within the U.S.
- Students who earned a degree outside the U.S. must submit transcripts accompanied by a general evaluation completed by an accredited service. The evaluation must verify their degree to be the equivalent of an associate degree or higher earned at an accredited institution within the U.S. A list of accredited evaluation services may be found at www.naces.org/members.
- Any student wishing to enroll in a certificate program. Level I certificates are programs of one year or less that require at least 15 but no more than 42 semester credit hours.

- Students who are serving on active duty as a member of the U.S. armed forces, or serve as a member of a reserve component of the U.S. armed forces, or National Guard for at least three years preceding enrollment. All TSI rules apply when the student is discharged from the military.
- Students who were honorably discharged, released, or retired from active duty as a member of the U.S. armed forces, the Texas National Guard, on or after August 1, 1990.
- Students who transfer from private or out-of-state institutions may use transferred courses for which college credit is earned in the areas of Reading, Mathematics and Writing. A list of equivalent NCTC courses is provided in the Transfer section.
- Students with the following scores: (Partial Exemptions available on tests taken on or after April 2004)

ACT - Composite score of 23; at least 19 on both English and/or Math portions. Note that scores must have been earned in one sitting within the past five years.

SAT - New SAT: 530 on Math and 480 on EBRW (Evidenced-Based Reading and Writing), no composite score. Old SAT: composite score of 1070 and at least 500 on Critical Reading and/or 500 on Math for tests taken after April 1995. Note that scores must have been earned in one sitting. Other scores apply to SAT tests taken before April 1995.

TAKS - For a period of five (5) years from the date of testing, a student who is tested and performs at or above the following standards of the Eleventh grade Texas Assessment of Knowledge and Skills (TAKS) may be exempted for the corresponding section: minimum scale score of 2200 on the mathematics section, minimum scale score of 2200 on the English Language Arts section with a writing subsection score of 3.

STAAR End-Of-Course (EOC): (End of Course Exam) English III - taken during the 11th-grade year, a score of 2000 on Reading and 2000 on Writing, or 4000 if the score is combined; EOC Algebra II - taken during the 11th-grade year, a score of 4000.

** These rules are subject to change by the Texas Legislature.*

An accepted TSIA2 placement test is also required of all dual credit/early admission students from area high schools unless they are exempt.

Placement Testing

The NCTC Office of Testing Services offers the statewide TSIA2 (Texas Success Initiative Assessment) for those students who are not TSI exempt and are required to have placement testing. An appointment to take the TSIA2 must be made by contacting the Office of Testing Services at your preferred campus. An application to NCTC must be on file as well as completion of the required Pre-Assessment Activity (PAA) prior to scheduling the TSIA2 at NCTC. Current testing fees are located on the NCTC Testing Center website. The statewide TSIA2 is computer-based, untimed and results will be available immediately upon completion of all required sections.

Students who do not pass/meet minimum standards/passing scores in one or more sections of the TSIA2 will be prohibited from enrolling in the following courses:

TSIA2-passing score on English Language Arts Reading, or passing score on READING from previously accepted placement tests are required to enroll in [ANTH 2346](#), [ANTH 2351](#), [ENGL 1301](#), [ENGL 1302](#), [HIST 1301](#), [HIST 1302](#), [HIST 2301](#), [HIST 2321](#),

[HIST 2322](#), [HUMA 1301](#), [GOVT 2305](#), [GOVT 2306](#), [PHIL 1301](#), [PHIL 2303](#), [PHIL 2306](#), [PSYC 2301](#), [PSYC 2314](#), [PSYC 2319](#), [PSYC 2320](#), [PSYC 2330](#), [SOC 1301](#), [SOC 1306](#), [SOC 2301](#), [SOC 2319](#), [SOC 2326](#) and any sophomore-level Literature course.

TSIA2-passing score on English Language Arts Reading, or passing score on WRITING from previously accepted placement tests are required to enroll in [ENGL 1301](#), [ENGL 1302](#), [ENGL 2311](#), or any sophomore-level Literature course.

TSIA2 or previously accepted placement tests passing scores are required to enroll in ANY eligible college-level Math.

1. If a student passed the previous version of the TSI Math test then that score is valid for 5 years and retesting on the new TSIA2 is not required. If their previous TSI scores are not passing then they can be placed in the appropriate NCBM-paired course based on their intended major/pathway OR retest on the Math portion of the new TSIA2.
2. If a student passed the Reading portion of the previous TSI test but NOT the Writing, they ARE eligible to take any TSI Reading-only liable course (listed above). However, they are NOT able to take ENGL 1301 until they test and pass the TSIA2 English Language Arts and Reading (ELAR) section since ENGL requires TSI college readiness in both Reading and Writing which can now only be earned by passing the new TSIA2 ELAR section.
 - a. A student cannot use their previous TSI multiple choice score in Writing and combine with the essay section of the new TSIA2 ELAR, or vice versa. **The TSIA2 ELAR section must be taken in its entirety.**
3. If a student passed the Writing portion of the previous TSI but NOT the Reading, they are NOT eligible to take any Reading or Writing TSI liable courses until they test and pass the TSIA2 English Language Arts and Reading (ELAR) in its entirety.

Additionally, students with an approved ACT or SAT Math score can enroll directly into the following courses:

- [CHEM 1411](#) General Chemistry I
- [MATH 1316](#) Trigonometry
- [MATH 1325](#) Business Calculus

Students meeting one or more of the above-listed exemptions must meet with an advisor in order to enroll in any of these courses. ACT or SAT Math scores must be on file with the NCTC Admissions Office for advisors to verify eligibility and assist with enrollment. Students who have either of these approved test scores from a previous institution must submit their scores either on an official transcript or official score report.

The NCTC Office of Counseling and Advising serves as a resource center to students preparing for transfer to other Texas public institutions and as a focal point for information concerning programs, resources and services to ensure a smooth transition to four-year colleges and universities. Students can start by visiting the [NCTC Transfer Center website](#) to access Transfer Guides for major universities, the Transfer Events calendar, as well as [Academic Pathways](#) that outline the suggested courses a student needs to take for his or her intended college major.

It is always recommended to visit with your assigned NCTC advisor to review transfer degree plans and materials, as well as receive assistance with choosing a major, academic course selection and the transfer application process. See *Academic Advising* for contact information.

Tutoring/Student Success Center

The Student Success Center is designed to help all students at NCTC develop tools to achieve their academic goals. Students must be enrolled in an NCTC course to request a session with a tutor. Call 940-668-4209 for information about tutoring at all six campuses.

The center connects students to free tutoring that includes a Writing Center, Math Lab, Study Groups and Online Tutoring during posted hours. Hours and services vary by academic term and campus location. To schedule a session, find the "Tutoring" link in [One Login](#).

Veteran Services

NCTC is dedicated to providing the support needed to help our servicemen and women adjust to college life. Our website is designed to inform service members, veterans, and eligible family members, about the information and resources available to them on and off campus. We have devised a network approach to better facilitate the needs of each student veteran from the Admissions process all the way through to graduation.

NCTC Financial Aid Office works with the Veterans Administration, Texas Veterans Commission and U.S. Department of Education to assist student veterans and their dependents with applying for and receiving applicable educational benefits.

Veteran Services is housed in the Financial Aid Office on both the Gainesville and Corinth Campus; contact the Director of Financial Aid at 940-668-4242 or Financial Aid Office in Corinth at 940-498-6294 for more information.

A Veteran Lounge is located on the Corinth Campus Room 188 to provide our Veteran Students a place to study. For more information concerning the Veteran Lounge please contact the Dean of Student at 940.498.6245.

Veterans and active military may also connect with other students and employee advocates via the [Veterans & Active Military Affinity Group](#).

HEALTH & WELLNESS

Alcohol and Controlled Substance Abuse

The Awareness Team at NCTC has developed educational, intervention, and awareness programs to train faculty, staff, and students in the detection, prevention, awareness, understanding, and reporting of alcohol and substance abuse.

NCTC specifically prohibits the use, possession, sale or distribution of alcoholic beverages and illegal drugs/narcotics/controlled substances on campus. Violators are subject to the following action(s):

- Adverse disciplinary action as determined by NCTC within accepted policy.
- Prosecution as provided by state statutes.

The risks of psychological and physiological damage associated with the use of illicit drugs and abuse of alcohol are great and include emotional disorders, impaired learning ability, severe physical pain, permanent brain damage and death. Information and confidential assistance in obtaining counseling, treatment, or rehabilitation is available to all students through the Counseling & Advising email counseling@nctc.edu.

Students with alcohol or drug abuse problems are encouraged to take advantage of this referral service.

[See FLB (Local) of the Board Policy Manual for conduct related information.]

Students are not permitted to

- Possess or consume alcohol while under the age of 21, be intoxicated due to alcohol while under the age of 21, or engage in other conduct violating the Student Code of Conduct.
- Drive while under the influence of alcohol or any other drug.
- Possess or use a controlled substance, marijuana, or a prescription drug in a manner prohibited.
- Grow, produce, or distribute a controlled substance, marijuana, or a prescription drug, except as expressly permitted by law and University policy.

Engaging in misconduct can result in a referral to the Dean of Students Office for conduct violations. Students found responsible for the misconduct are assigned sanctions, which can include probation and educational referrals designed to assist and educate students. Serious or repeated misconduct can result in removal from the residence halls, suspension, and expulsion from NCTC.

CARES/Behavioral Intervention Team

The NCTC Behavioral Intervention Team or CARES (Campus Assessment Response Evaluation Services) addresses behavior that may be disruptive, harmful, or pose a threat to the health and safety of the NCTC community-such as stalking, harassment, physical or emotional abuse, violent or threatening behavior, or self-harm.

All students have the ability to report concerning behavior that could impact their own safety or the safety of another NCTC student-just complete the [CARES Reporting/Referral Form](#). If any student feels that there is an immediate threat to his or her own safety or welfare (or to another student), **please call 911 immediately**.

If you need to report or request assistance related to sexual harassment, misconduct, or assault, please visit our [Title IX page](#) and call 911 immediately if your safety is in immediate danger. For additional resources see *Mental & Physical Health*.

Mental & Physical Health

The Counseling and Advising Office provides the academic advising students need in order to formalize educational and/or vocational objectives, research college majors and transferability of coursework and assist with resolving personal problems which are impacting a student's academic performance.

Personal counseling is available to students through this office on a limited basis with referral to community and private resources when appropriate. However, [TimelyCare provides access to free 24/7 mental health and counseling services](#) for all currently enrolled students!

The NCTC Counseling and Advising Office also maintains several pages with content related to safety, health and wellness, so please be sure to visit gethelp.nctc.edu for community resources, [Wellness](#), [TimelyCare](#) and [Counseling](#) information. You can also send a non-emergency message to counseling@nctc.edu during NCTC Business hours for questions regarding counseling services and resources.

Suicide Threat Response Policy

Suicide is a leading cause of death among college-aged students (Center for Disease Control ("CDC"), 2016; Suicide Prevention Resource Center, 2014). Hence, NCTC is committed to the welfare and safety of its students, college community and the integrity of the learning environment, while balancing the needs and rights of the student.

The purpose of this administrative regulation is to protect and support the emotional and behavioral health and well-being of students by establishing procedures, programs, training, and education to prevent, assess the risk of, intervene in, and respond to self-harming and suicidal behavior.

Definitions

Re-enrollment Refers to a student that has voluntarily or involuntarily withdrawn from the College (and all classes) due a medical or mental health emergency (e.g., suicide attempt or hospitalization for suicidal or self-harming behaviors) and seeks to re-enroll at the College in the upcoming or subsequent semester.

Re-entry Refers to a student that is currently enrolled in classes but has been unable to attend classes for a temporary period of time due to a medical or mental health emergency (e.g., suicide attempt or hospitalization for suicidal or self-harming behaviors) and seeks to return to current semester classes after the medical or mental health emergency.

Self-harm is an intentional or deliberate behavior causing injury or attempted injury to oneself, but non-suicidal.

Suicide is deliberately terminating one's own life or death caused by self-directed injurious behavior with an intent to die as a result of the behavior (CDC, 2016).

Suicide Attempt is a failure in attempting to deliberately take one's own life or a non-fatal self-directed potentially injurious behavior with an intent to die as a result of the behavior (CDC, 2016).

Suicidal Behaviors are behaviors which include thoughts of ending one's own life (ideation), plans and formulation of specific methods or strategies for suicide and attempts to engage in taking one's own life.

Suicidal Ideation is fantasizing, thinking about, considering, or planning a deliberate behavior or action with the intent to end one's own life.

Reporting Responsibilities

Reporting Responsibilities of Students

Students observing or obtaining information regarding a student's expressions, threats, plans or attempts related to suicide or self-harming behaviors should immediately report the matter to Campus Police or contact 911 and also obtain assistance from the nearest College employee.

If a student observes or receives first-hand information regarding a student exhibiting suicidal or self-harming behaviors, the individual should immediately call 911 and share the student's name, description, details of the matter and the student's location and/or destination (if known).

Reporting Responsibilities of Employees

College employees observing any behavior or obtaining information regarding a student's expressions, threats, plans or attempts related to suicide or self-harming behaviors are expected to immediately report the matter to Campus Police or contact 911.

If the employee observes or receives first-hand information (directly from a student exhibiting suicidal or self-harming behaviors) the employee must immediately call 911 and share the student's name, description, details of the matter and the student's location and/or destination (if known) with law enforcement personnel. If possible, College employees should attempt to maintain visual contact with the student until law enforcement arrives.

All suicidal expressions, threats and/or attempts should be taken seriously. No attempt to independently evaluate the validity or imminence of the suicidal ideation should be made, except by law enforcement or a designated official from the NCTC Counseling Office.

Reporting to and Communications with Others

The College Chief of Police, in consultation with the appropriate College officials, will determine the appropriate College official responsible for any and all communications regarding the incident to other faculty, staff, students or other parties.

To the extent permitted by law, the College will make every effort to respect the privacy of its students, employees and third parties.

Employees seeking personal or emotional support due to the incident should contact the Director of Human Resources for assistance.

Students seeking personal or emotional support due to the incident should contact a campus counselor through NCTC Counseling Services.

Parental Notification

In situations where a student is assessed at-risk for suicide or self-harming behaviors, the student's parent, guardian and/or emergency contact listed with the College may be informed, as provided by law, by campus police or appropriate College official, given there is no further risk of harm due to parental or guardian notification.

Consultation with Outside Agencies

When appropriate, campus police and appropriate College officials may communicate and collaborate with outside law enforcement agencies, medical facilities and/or mental health professionals during any stage of risk assessments.

Procedures

Upon receipt of notification of a credible report of suicidal behavior, campus police will take immediate action to assess the risk of suicide and take the appropriate preventative actions as determined by campus police, which may include, but are not limited to:

1. Involving and consulting with a College counselor;

2. Involuntary or voluntary transport and admittance of the student to a mental health facility for evaluation and assessment;
3. Requesting a counselor be present for faculty, staff and students affected by the incident for mental and emotional support; and/or
4. Referring the incident to the Behavioral Intervention Team to:
 - Review all reports, documents and pertinent information;
 - Interview and consult with pertinent parties;
 - Assess immediate and on-going risks;
 - If applicable, deploy counselors to provide emotional support for faculty, staff and students affected by the incident;
 - Determine on-going assessments, support services, class reductions, enrollment status, involuntary or voluntary withdrawals and/or conditions for reentry (continued enrollment) or re-enrollment.

Re-entry After Suicide Attempt

For students seeking re-entry to the College after a suicide attempt, or hospitalization due to suicidal or self-harming behaviors, the Behavioral Intervention Team or appropriate College counselor will meet with the student to discuss a return to classes and the student's ability to succeed in the college environment.

The student may be required to provide an assessment or release to return to College upon discharge from a licensed mental health professional or private practitioner with appropriate credentials. If, after reviewing the documentation provided by the student's mental health professional or private practitioner, the College requires additional information regarding the:

1. Student's ability to return to the College and successfully participate in the educational environment;
2. Student's risk of causing danger to themselves or others; and
3. Support services and/or on-going assessments for the student's success,

The College may ask the student to sign an authorization allowing the Behavioral Intervention Team to communicate with the student's mental health professional or private practitioner for purposes of making an individualized and objective assessment of the student's ability to participate in the educational program.

The College's individualized and objective assessment will take into account the nature, duration and severity of the risk of a student's direct threat to the health and safety of self or others; the probability that the potentially threatening injury will actually occur; and whether reasonable modifications of policies, practices, or procedures will sufficiently mitigate the risk of a student's direct threat to the health and safety of self or others. If the Behavioral Intervention Team determines there is a direct threat to the health and safety of self or others, the College will determine whether the student is currently qualified for the educational program and may deny re-entry to the College on this basis.

Withdrawal from College

A student may decide to voluntarily withdraw from the College if the withdrawal is in the best interest of the student's well-being and safety; however, an assessment or release from a licensed mental health professional or private practitioner with appropriate credentials may be required prior to the student's re-enrollment.

The student can obtain an assessment or release from a licensed mental health professional or private practitioner with appropriate credentials at his or her own expense.

Standards of Self-welfare and Conditions for Reentry or ReEnrollment

The Behavioral Intervention Team, after consultation with the appropriate College officials, licensed mental health professional or practitioner and/or parents or guardians, may:

- 1) Deny re-entry or re-enrollment, specifying the period of denial, the reason for the denial and conditions for review of re-enrollment after the denial period expiration;
- 2) Approve re-entry or re-enrollment without conditions; or
- 3) Approve re-entry or re-enrollment and set forth standards of self-welfare and conditions for re-entry or re-enrollment, including, but not limited to:
 - Ongoing assessments with a College counselor;
 - Ongoing assessments with an outside mental health professional or practitioner at the student's own expense;
 - Participation in educational and prevention workshops or seminars, on or off campus;
 - Agreement to consistently take any medications as prescribed by a mental/medical professional or practitioner; and/or
 - Other support and prevention programs as determined by the Behavioral Intervention Team, appropriate College counselor, or private practitioner
- 4) Failure or refusal to adhere to the standards of self-welfare and conditions for re-entry or re-enrollment may result in an immediate involuntary withdrawal from the college.

Appeal

A student who is dissatisfied with the decision of the Behavioral Intervention Team has five calendar days to appeal, in writing, to the College Chancellor or designee. Any subsequent decision of the College Chancellor or designee is final.

Refunds and Academic Encumbrances shall be handled in accordance with College policies governing exemptions and waivers due to an approved hardship or other good cause.

Confidentiality and Records Maintenance

All records associated with reported incidents are maintained in accordance with College Policies and do not appear as part of the student's academic record unless otherwise provided by law.

Any records associated with assessments may be protected by federal and state laws regarding confidentiality.

Education, Awareness Programs & Training

The College Chancellor or designee shall appoint a committee to develop educational, intervention and awareness programs as well establish training for faculty, staff and students in the detection, prevention, awareness, understanding and reporting of suicidal and self-harming behaviors. This committee shall also review applicable college policies and procedures to ensure they meet the needs of the students and college community on annual basis.

GET INVOLVED

Student Role and Participation in Institutional Decision Making

The governing board and administration of North Central Texas College value the opinions and input of students in regard to a wide variety of college-related issues and they believe strongly in empowering students by giving them a meaningful voice in the institutional decision-making process. This is done in a variety of ways, which include but are not limited to voting membership on representational groups, employee search/selection committees and many committees of the college. Finally, students may—either individually or collectively—bring issues before the Instructional Council, President’s Cabinet, or other administrative bodies of the college at any time by complying with the appropriate process for requesting that they be placed on the agenda. In addition, student input is actively encouraged and sought on a systemwide basis from such student organizations as the Student Government, Student Nursing Association and others. Members of Student Advisory Committees provide input on issues of specific interest and importance to both students and the administrative leadership.

Athletics

Each athletic program provides an opportunity for student-athletes to pursue academic success, physical and emotional well-being and social development. Specifically, NCTC athletes pursue academic excellence, participate in well-organized sports activities, promote a positive public image for the college and advance their personal and professional objectives.

The Chancellor has ultimate responsibility for and the administrative and fiscal control over the institution’s intercollegiate athletic programs as well as supervisory oversight of the athletics program through the Director of Athletics.

The College is a member of the National Junior College Athletic Association (competing in the Northern Texas Junior College Athletic Conference). See Athletics in the [NCTC Catalog](#) for additional information or visit the [Athletics Website](#). Scholarships are available and students considering participation in the NCTC intercollegiate athletics program should contact the Athletic Director, Van Hedrick at vhedrick@nctc.edu or (940) 668-4286, for additional information.

Student Life

A variety of departments, groups and committees across the NCTC district contribute to Student Life by providing student engagement opportunities which foster a positive collegiate environment for NCTC students on all campuses.

The overall collegiate learning experience involves much more than just what happens in the classroom. Social interaction is an important part of that experience. At NCTC, we are working hard to provide an array of opportunities for students to make friends, build their resume and gain new skills. These opportunities range from student organizations, affinity groups, honor societies, volunteer opportunities, to special events and everything in between. It’s all aimed at making #LifeatNCTC enjoyable, memorable and beneficial to all students.

The College administration welcomes input from students regarding its student activities programs. NCTC strives to be responsive to practical suggestions for expansion of existing programs or implementation of new ones within the framework of budgetary limitations, available staff and physical facilities.

For inquiries or additional information, please contact the Office of Equity, Diversity and Inclusion at studentlife@nctc.edu or (940) 380-2530.

Visual and Performing Arts

Drama - Drama students perform in multiple musicals and plays each semester. NCTC has both acting and stagecraft courses, so students can learn to work on stage or backstage.

Honor Societies

Honor Societies aim to recognize students who have excelled in a variety of circumstances. Honor societies invite students to join based on academic excellence, or to those who have shown impressive leadership, service, and overall character. Joining honor societies are great opportunities for students to boost their resume, scholarship applications as well as their personal and professional skills. NCTC has four honor societies: Lambda Nu, Phi Theta Kappa, National Society of Leadership and Success, and La Sociedad Honoraria de la Lengua Española. Should [they meet the requirements](#), students can participate in as many honor societies as they want. For current information visit

Student Government Association

NCTC Student Government Association (SGA) works to promote good will and unity among the students, effectively represent student needs and concerns and handle other matters concerning the general welfare of the students and the College. Membership is free. All students of NCTC are members of SGA and are encouraged to become involved; each student organization is required to attend SGA meetings in person or virtually in order to request funding and be more informed. Contact studentlife@nctc.edu for information on meeting dates and times.

Student Organizations

Student clubs and organizations are sanctioned by the college administration according to the belief that each renders a particular service to the college and to the student body.

All student group-sponsored activities on the college campus are to be sponsored by one of the recognized clubs or organizations and its advisors. New student clubs must submit a petition for approval and recognition through the Office of Equity, Diversity and Inclusion.

Club promotions, fund-raisers and activities involving the public must be cleared through the Office of Equity, Diversity and Inclusion.

Student Organizations Policies

An organization in which membership is limited to students, staff and faculty may become a registered student organization by complying with the registration procedures established by the Vice Chancellor of Enrollment.

Eligibility

A group shall be eligible for registration if:

1. Its membership consists of seven or more students.
2. It submits a student organization registration form and files a constitution for the organization with the Vice Chancellor of Enrollment.
3. It complies with applicable Board policies.
4. It has at least one active NCTC faculty/staff sponsor who serves as an advisor and facilitator to help the organization achieve its purpose.
5. It is not under a disciplinary penalty prohibiting registration.

Registration Documents Required

A group composed of seven or more students is entitled to register as a student organization through the Office of Equity, Diversity and Inclusion. Approval for registration of an organization on any one campus or center is effective College-wide.

At the beginning of each semester, student organizations are required to provide the office a student organization application, activity approval form and a constitution. The application contains a complete list of officers or other representatives of the organization who are authorized to receive official notices, directives, or information from the College on behalf of the organization. (The list shall be kept current and accurate by the organization.)

The first activity approval form should contain all of the student organization's meeting dates, time, and location.

A sample constitution is available online and can be used as a guide to create the student organization's governing document which includes the organization's mission and structure.

The forms can be found online via studentlife.nctc.edu in the Student Groups section.

Rejection of Application

The College reserves the right to deny an application.

If the Vice Chancellor of Enrollment does not approve the application for registration, they shall provide the applicant with a copy of a written statement of the reasons for refusal, and the applicant may appeal to the Chancellor. The Chancellor may take one of the following actions:

2. Reverse the Vice Chancellor of Enrollment's decision.
3. Appoint a committee to conduct a hearing and report its findings to the applicant and the Chancellor, who shall then take final action.

1. No longer meets the eligibility requirements.
2. Violates the rights/duties of organizations.
3. Violates the Student Code of Conduct or other college policy.
4. Recognition of student groups may be denied if they violate reasonable campus rules, interrupt classes, substantially interfere with the opportunity of other students to obtain an education, or if it is reasonable to believe that the group poses a substantial threat of material disruption to the campus. *Healy v. James*, 408 U.S. 169 (1972)

A student organization whose registered status has been canceled may appeal to the Chancellor, who may take one of the following actions:

1. Affirm the decision.
2. Reverse the decision.
3. Advise the student to file a formal appeal through the Student Complaint process; see Board Policy FLD (Local).

If the organization is not satisfied with the decision, it may appeal that decision to the Board.

A registered student organization whose registered status has been revoked may apply for re-registration not less than four months following the date of such cancellation or may be permanent as described in the revocation notice.

Student Organization Activities

Registration does not imply approval of the College of the activities of the registered organization. An activity approval form must be submitted for all activities, events, and fundraisers at least 14 days in advance. A registered organization shall be entitled to sponsor

Police and security personnel routinely check the buildings and the parking lots for defective lighting and report defects to the maintenance department. Defective equipment or other situations which affect security and safety are given high priority and are responded to immediately for the making of necessary repairs.

Crime Awareness Programs

ACADEMIC INFORMATION

Definitions

Class Day

Class Day commonly refers to the number of calendar days NCTC normally meets for classes in any given semester, not the number of days a particular class meets.

College Preparatory Classes

Students who do not meet minimum passing standards for any section of the TSI Assessment, TSIA2, or other alternative tests will need to enroll in remediation for that area. Students need to enroll in at least one area of remediation each semester until all remediation has been completed or retesting on the TSIA2 has placed a student at college-level. If more than one subject area of remediation is required, students can be enrolled in more than one preparatory class in the same semester as well as any eligible college-level courses.

Regular and punctual attendance is expected of students enrolled in all classes, both preparatory and college-level and instructors have the right to drop any student from a course in which the student has excessive absences. Students must complete all required preparatory courses with a "C or better" before proceeding to college-level course work in that subject area. Students that have not passed a portion of the TSI Assessment or TSIA2 may be enrolled in an integrated course that includes a credit, college-level course paired with preparatory, developmental support. Students are expected to attend and participate in both parts of the integrated course and must successfully complete the credit portion of the course in order to satisfy TSI requirements in that content area.

Concurrent Enrollment and Lifelong Learning

NCTC offers students wanting to earn continuing education units (CEUs), rather than regular college credit, the option of enrolling for a selection of credit options for selected technical courses. The course content, schedule, instructor and completion requirements are exactly the same for CE students and semester-hour credit students. However, rather than earning a letter grade, the CE student will earn CEUs if the course is completed satisfactorily.

Course Identification Number

A four-digit number designates courses at NCTC. The first digit indicates the level at which the course is taught: 1 = freshman level, 2 = sophomore level. The second number indicates the semester hour value of the course. The third and fourth digits are the distinguishing numbers of the course as delineated by the Texas Higher Education Coordinating Board.

Course Load

A course load refers to the number of semester hours for which a student is officially registered and enrolled. At North Central Texas College, a full-time student is defined as one who is enrolled for a minimum of 12 semester credit hours in Fall, Spring, or combined Summer semesters.

Curriculum

A stated list of courses that are required for completing a certificate, diploma or degree is the curriculum for a particular major.

Early Alert

The NCTC Early Alert program has been established to assist students who are at risk of failing or withdrawing from a course. Instructors may refer students to this program if they are missing assignments, failing tests, excessively absent, or have personal circumstances

impacting academic performance. If submitted as an Early Alert, the student will be notified via your phone and/or NCTC email address and then contacted by a Counseling/Advisor/Success Coach or to discuss possible strategies for completing the course successfully.

Elective

An elective course is one that is not specifically designated as a part of a curriculum. The course normally complements the major course of study in a specific discipline and is chosen by the student from among a number of such courses available in consultation with a faculty advisor. The number of electives in a program varies according to the specific major.

Full-Time Student

A full-time student is enrolled for 12 or more semester hours during a regular long semester (fall or spring) or during a combination of summer semesters.

Part Time Student

A part-time student is enrolled for fewer than 12 semester hours during a regular long-term (fall or spring) or summer semester.

Prerequisite

A course that must be satisfied prior to taking a higher-level course is a prerequisite.

Semester Credit Hour

A semester credit hour is determined by the number of hours a class is taught during a regular week. (Example: ENGL 1301 meets three hours per week and is a three- semester credit hour class). Lab hours are calculated on a ratio basis. (Example: PHED 1118 meets three hours per week and receives one semester credit hour.

Transferability

The acceptance of credit courses taken at NCTC toward a specific major and degree at another higher education institution. See Graduation: Transfer Credit or Reverse Transfer for more information.

Credits**Credit by Examination**

NCTC awards credit on the basis of local and national examinations, prior military experience and professional certifications, subject to general limitations. A maximum of 18 semester hours of credit earned by examination— College Board Advanced Placement Program (AP), College Level Examination Program (CLEP) Subject Examinations, USAFI, DANTES, NCTC departmental exams and professional certifications—may be applied toward the award of a degree or certificate at NCTC.

Courses completed in the Armed Forces, USAFI and DANTES will be evaluated and credit will be awarded based on the recommendation in ACE (American Council on Education) Guide to Evaluation of Educational experiences in the Armed Services. See the institutional catalog for more in-depth information.

Awarding Experiential Credit

North Central Texas College offers credit for experiential learning towards Level I and Level II Certificates and Associate of Applied Science career/technical degree. Experiential learning is a process through which students develop knowledge, skills and values from direct experiences outside a traditional academic setting. Military personnel, veterans and adult learners may also be eligible to receive experiential credit based upon

appropriate documentation and institutional guidelines. All credit granted for experience must be supported by official and verifiable documentation.

Procedures/Requests for Advanced Placement and Credit by Examination/Experience

Refer to the NCTC Catalog sections regarding AP, CLEP and IB scores required for awarding course credit, or see the following section for additional information on earning experiential credit.

Religious Holy Days

NCTC is required to accommodate students and employees' sincerely held religious observances or practices, unless the accommodation would impose an undue hardship on the work or business of the college. Federal law protects religious beliefs and non-beliefs, and this includes beliefs that are not associated with an organized religion. A reasonable religious accommodation is any adjustment to the work or educational environment that will allow the employee or student to practice their religion. This includes flexible scheduling, flexible deadlines, voluntary substitutions, modification of grooming requirements and other practices, policies or procedures.

In compliance with Texas Education Code, Section 51.911, North Central Texas College allows a student who is absent from class for the observance of a religious holy day to make up the classwork for that day within a reasonable time after the absence. Students who intend to be absent for religious holy days must notify each instructor in writing by the 15th calendar day of the semester.

Dropping/Withdrawing

Dropping a course is done before the official date of record each semester. Removing a course from your schedule on or after the official date of record is no longer considered a drop, but is instead a withdrawal and will result in a "W" on your transcript. The official date of record for all semesters, including 8-week, minimesters and Summer terms, are listed in the official [NCTC Academic Calendar](#).

*Consult the current Academic Calendar on our [Drop/Withdrawal webpage](#) for important dates and deadlines and also review the 6 Drop Policy information below to determine if you will exceed your allowable number of course withdrawals or "W's".

How to Drop a Course

To drop a course, a student can do any of the following. Be sure to check the [Refund Schedule](#) as well!

- Go to [MyNCTC](#) and drop the course through the Add/Drop menu
- Visit the [Mane Stop](#) or [Advising Office](#) in person or through the virtual line to request a drop
- Email advising@nctc.edu with your request (include your full name, NCTC Student ID and course(s) name/section number)

For a course to be eligible for a drop it must be requested before the official date of record. If dropping a course it is always best to visit with an advisor first, as well as the [Financial Aid Office](#) if you receive any type of grants, loans or veteran educational benefits to discuss how this drop will impact your future graduation date or eligible aid.

How to Withdraw from a Course

To withdraw from a course on or after the official date of record and before the withdrawal deadline stated in the Academic Calendar a student can do any of the following. Be sure to check the [Refund Schedule](#) as well!

- Go to [MyNCTC](#) and submit the Course Withdrawal Request on the Student Services tab

- Email registrar@nctc.edu if you are unable to access the online course withdrawal form through MyNCTC (include your full name, NCTC Student ID number and course(s) name/section number)

If withdrawing from a course it is always best to visit with an advisor first, as well as the [Financial Aid](#) Office if you receive any type of grants, loans or veteran educational benefits to discuss how this withdrawal will impact your future graduation date or eligible aid.

Online Requests

Online withdrawal forms are located in MyNCTC and will be processed within 24 - 48 business hours. The student should receive an email confirmation that the withdrawal has been processed. If the student does not receive an email, it is the student's responsibility to contact the Registrar's Office for confirmation. The student is responsible for verifying the email was received by the Registrar's Office prior to the last day to withdraw.

It is the student's responsibility to officially withdraw from any course they do not wish to attend. Any student who stops attending classes and who does not officially withdraw may be assigned a final grade of "F" as well as potentially have to make payment back to Financial Aid due to not attending or completing the course successfully.

6 Drop Limit-S.B. 1231 Legislation

(Note: the 6 drop limit applies to students WITHDRAWING from classes and receiving a "W" on their transcript, does not apply to students who drop classes before the Official Date of Record)

Section 51.907 of the Texas Education Code applies to first-time freshman students who enroll in a Texas public institution of higher education in the fall semester of 2007 or thereafter. High school students currently enrolled in the NCTC Dual Credit and Early Enrollment program are waived from this requirement until they graduate from high school.

Based on this law, any Texas Public institution of higher education may not permit students to withdraw more than six college level credit courses for unacceptable reasons during their entire undergraduate career without penalty. All college-level courses withdrawn after the official date of record are included in the six-course limit, including courses dropped at another Texas public institution of higher education, unless the student demonstrates to an appropriate college official that one of the following events occurred to the student during the semester or summer session:

1. A severe illness or other debilitating condition that affects the student's ability to satisfactorily complete the course.
2. The student's responsibility for the care of a sick, injured, or needy person if the provision of that care affects the student's ability to satisfactorily complete the course.
3. The death of a person who is considered to be a member of the student's family or who is otherwise considered to have a sufficiently close relationship to the student that the person's death is considered to be a showing of good cause.
4. The active duty service as a member of the Texas National Guard or the armed forces of the United State of either the student or a person who is considered to be a member of the student's family or who is otherwise considered to have a sufficiently close relationship to the student that the person's active military service is considered to be a showing of good cause.
5. The change of the student's work schedule that is beyond the control of the student and that affects the student's ability to satisfactorily complete the course.
6. Other good cause as determined by the college official.

Dual Credit Students

Dual Credit students must complete the Dual Credit Withdrawal form and submit it to the Dual Credit Office. All requests are then processed through the Registrar's Office.

Medical Withdrawal

The Registrar (or designated representative) may grant medical withdrawals to students who must withdraw for medical reasons from all courses for which they are registered at NCTC. It is expected that the appeal will be filed as soon as possible, no later than a week prior to final exam. Students who receive medical withdrawals after the last day to withdraw without receiving a grade will receive either an I or a W in each course for which they were registered.

Students (or their appointed representatives if they are unable to act for themselves) who seek to withdraw for medical reasons from all courses for which they are registered at NCTC shall, as soon as possible, request medical withdrawals in writing from the Registrar, submitting all appropriate documentation, including a statement from a physician or psychologist, with their written requests. The documentation will be sent to the appropriate deans of the subject areas involved within the appeal. If the appeal involves multiple disciplines, then the request will be sent to the deans to discuss collaboratively providing a recommendation to the Office of the Registrar. The Deans will be responsible for the validation of documentation. The Registrar will inform the student and instructor of the decision in writing if the request is approved.

Complete Withdrawal

If a student withdraws completely from NCTC prior to the course withdraw deadline, a final grade of "W" will be recorded for each course in which the student is enrolled. It is the student's responsibility to officially withdraw from any classes they do not wish to attend or cannot, for any reason, complete. This requires the completion of the Request for Course Withdrawal form located in the NCTC Student Portal through MyNCTC.

Grading Practices and Reports

Grades are reported and made a part of the official record (filed in the Registrar's Office) at the end of each semester. Students may view their grades online by accessing the NCTC Student Portal through MyNCTC.

Grading System

The standing of a student in each course is expressed by the following grades which are assigned for class work, examinations and general classroom performance according to criteria set by the instructor. Interpretations of these grades are:

A=Excellent	F=Failure
B=Good	I=Incomplete
C=Average	W=Withdrew
D=Poor	P=Pass

Disclaimer:

Some departments and programs do not accept a grade of "D" as a passing grade.

Incomplete Grades

A grade of "I" signifies incomplete course work. The intent of an "I" is to allow a student to complete a course when unforeseen circumstances hinder the student from being able to complete the course during the regular semester. The student must follow the following procedures:

1. To receive an "I" in any course, a student must be in good standing in the course through the last day to drop.
2. The student must petition the instructor in writing and if the instructor agrees that the incomplete grade is reasonable, the professor will detail in writing the requirements necessary to complete the course and attach the Incomplete Grade form to the final grade roll.
3. It is the student's responsibility to comply prior to the end of the next long semester, or the grade will revert to "F".
4. Instructors who wish to issue a grade of "I" must submit the Incomplete Grade form with the appropriate documentation to the Department Chair or Program Coordinator for approval. Once an incomplete is finished, the instructor must submit a Petition of Change of Grade form for final approval.

Pass/Fail Option

North Central Texas College permits enrollment in selected courses on a pass/fail option basis. In courses where this option is available to the student, the instructor will provide the necessary forms for selecting the pass/fail option during the first week of class. These forms must be completed by the student and instructor and returned to the Registrar's Office by the second Tuesday of the second week of the current semester. The pass/fail option will not be extended beyond this date. Once the pass/fail option is processed, no changes will be permitted to the student's academic record. It is not recommended to select the pass/fail option if the course in which the option is applied should be included as a part of the college major and expected to transfer that course to a senior college or university.

This is not meant to be an audit course. Performance requirements on the part of the student are the same regardless of the pass/fail option or the traditional A, B, C, D, F system. Courses taken on a pass/fail basis do not earn grade points; however, failing grades will be counted in the student's grade point average.

Grade Points

Letter grades are assigned numerical values, or "grade points", as follows per semester hour:

A = 4 grade points	B = 3 grade points	C = 2 grade points	D = 1 grade points	F = 0 (zero) grade points
-------------------------------	-------------------------------	-------------------------------	-------------------------------	--------------------------------------

Courses with a grade of "P", "W", or "I" are not assigned grade point values and are not considered in computing grade point average (GPA). When a course is repeated, the student's GPA is determined by dividing the total grade points earned by the total number of hours attempted. To illustrate, a student who has attempted 30 semester hours, earning 60 grade points, would have a GPA of 2.0.

Minimum Grades for Good Standing - All students enrolled in credit courses at NCTC whether on a full-time or part-time basis, must maintain a minimum cumulative grade point average of 2.0 to remain in good standing.

Academic Probation - A student whose cumulative GPA is less than 2.0 at the end of a Fall, Spring, or Summer semester for which the student is enrolled will be placed on Academic Probation. A student on Probation is notified of this status through NCTC e-mail and a notation on the transcript. Students on Probation are also added to the *Academic Reset Canvas* course which offers informational modules regarding campus resources, success strategies, advising/coaching guidance, and more!

A student will remain on Academic Probation if the student's semester GPA exceeds 2.0 but the cumulative GPA is below 2.0. If at any time a student's cumulative GPA is above 2.0, then the student will subsequently be released from Academic Probation.

A student on Academic Suspension from another college or university (as noted on the student's official transcript) will be required to submit an appeal to the Admissions Office of NCTC in order to be eligible for enrollment. If approved for enrollment, this student will automatically be placed on Academic Probation status at NCTC, and therefore MUST earn a GPA of at least 2.0 in the first semester at NCTC in order to avoid moving to Suspension status.

Academic Suspension - A student who is already on Academic Probation status will be placed on Academic Suspension status if his or her cumulative GPA remains below 2.0 at the end of the next Fall, Spring, or Summer semester in which the student is enrolled, and the student's term GPA for that Fall, Spring, or Summer semester is also below 2.0

A student placed on Academic Suspension is required to sit out the next semester in which they intended to enroll at NCTC, unless the student completes the Appeal process AND is approved for enrollment. Students approved for an Academic Suspension Appeal will be assigned an academic advisor, will be limited to the number of hours in which they can enroll and have other obligations to meet during their appealed semester, such as participating in College Success seminars and utilizing Career Services.

A student on Academic Suspension is notified of this status through Canvas communication, NCTC student and personal email, as well as a notation on the transcript and on the student's MyNCTC dashboard.

A student placed on Academic Suspension status whose Appeal has been denied or who does not Appeal but rather sits out the next semester(s) (i.e., sits out Summer and/or Fall if placed on Suspension after Spring or sits out Spring if placed on Suspension after Fall), will have a Registration Hold placed on the student's account and must meet with an advisor/coach in order to re-enroll for the next eligible semester. Also, this student will automatically be placed on Academic Probation status when the student does re-enroll at NCTC and, therefore, MUST earn a term GPA of at least 2.0 in the first semester back at NCTC in order to avoid returning to Suspension status.

A student who is coming to NCTC on Academic Suspension from another college or university (as noted on the student's official transcript) will be required to submit an appeal to the NCTC Admissions Office in order to be eligible for enrollment. If approved for enrollment, this student will automatically be placed on Academic Probation status at NCTC, and therefore MUST earn a GPA of at least 2.0 in the first semester at NCTC in order to avoid moving to Suspension status.

Permanent Academic Suspension - NCTC does not permanently suspend students for poor academic performance.

Grade Appeal

Any student wishing to appeal the final grade received in any course may do so according to the following procedure:

1. Collect all tests, assignments, class notes and other relevant materials and request a conference in writing with the instructor of the course in question. The same materials collected must be presented at each stage of the appeal process, with no addition or omission of items.
2. Present the case for grade appeal directly to the instructor to begin the process.
3. If not satisfied with the decision of the instructor, the student has 10 business days to appeal via email or letter to the instructor's Division Chair (see listing in College Personnel section of the NCTC Academic Catalog). All tests, assignments, class notes and other relevant materials must be presented to the Division Chair or Program Coordinator.

4. If not satisfied with the decision of the Division Chair, the student has 10 business days to appeal via email or letter to the Academic Appeals Committee (contact information provided by the Division Chairs). All tests, assignments, class notes and other relevant materials as collected in step 1, above, must be presented to the Committee.

Grade appeals may only be considered if the procedure has been followed explicitly in the order outlined. The grade appeal process must be initiated and completed by the end of the sixth week of the next long semester. Grade appeals after the deadline will not be considered. For more information on the student course grade complaint process view the Board Policy FLDB (Local).

Return of Federal Title IV Funds

North Central Texas College refunds unearned funds received from Federal student assistance programs in accordance with Federal Title IV student assistance regulations, as amended, under 34 CFR, section 668.22(d) of the Reauthorization of Higher Education Act of 1965, with rules of the Texas Higher Education Coordinating Board and the rules of the college's Board of Regents.

The student receiving assistance from Federal Title IV programs is required to complete a minimum number of hours for which assistance was received. If the student completely withdraws from school during the semester, or quits attending but fails to officially withdraw, the student may be required to return the unearned part of the funds received to help pay educational expenses for the term.

Liability for the return of Federal Title IV funds will be determined according to the following guidelines:

1. If the student remains enrolled and attends class beyond the 60% mark of the semester in which aid is received, all federal aid is considered earned and not subject to this policy.
2. If the student completely withdraws from all classes prior to completing 60% of the semester, a prorated portion of the federal aid received must be returned to the federal aid programs based on the amount of time the student attended.
3. If the student does not officially withdraw from classes but quits attending all classes, a prorated portion of the federal aid received, based on the documented last date of attendance, must be returned to the federal programs. If the college is unable to document the last date of attendance, the school will assume the student only attended to the 50% mark of the semester and this date will be used to determine how much aid must be returned.

Return of Federal Title IV funds will be returned according to statutory regulations. Worksheets provided by the U.S. Department of Education will be used to determine the amounts and order of return. The student will be notified in writing if they owe funds back to the school or to the U.S Department of Education. Students who owe an overpayment back to the U.S. Department of Education will be allowed 45 days from the date of determination to return their share to the program accounts. If the student does not return the amount owed within 45 days, the amount of the overpayment will be reported to the U.S. Department of Education (DOE) via the National Student Loan Database (NSLDS) and the student will be referred to the DOE for resolution of the debt. Contact Financial Aid for questions and examples of this policy. See the Return of Title IV Aid Policy in the NCTC Catalog for additional information.

GRADUATION

Graduate Guarantee Program

Transfer Credit

NCTC guarantees to its Associate of Arts and Associate of Science students who have met the requirements for the degree, beginning May, 1992 and thereafter, that course credits will transfer to other public-supported Texas colleges or universities provided the following conditions are met:

Transferability means acceptance of credit toward a specific major and degree at a specific institution. These three components must be identified by the student during the application for the admission process prior to the first semester of enrollment at North Central Texas College.

1. Limitations on total number of credits accepted in transfer, grades required, relevant grade point average and duration of transferability apply as stated in the general undergraduate catalog of the receiving institution.
2. Transferability refers to courses in a written transfer/degree plan filed in a student's file at North Central Texas College.
3. Only college-level courses with Community College Academic Course Guide Manual approved numbers are included in this guarantee.

If all the above conditions are met and a course or courses are not accepted by a receiving institution in transfer, the student must notify the Vice Chancellor for Instruction and Provost at NCTC within 10 days of notice of transfer credit denial so the "Transfer Dispute Resolution" process can be initiated.

If course denial is not resolved, NCTC will allow the student to take, within a one-year period from granting of a degree at North Central Texas College, tuition-free alternate courses, semester hour for semester hour, which are acceptable to the receiving institution. The graduate is responsible for payment of any fees, books or other course-related expenses associated with the alternate course or courses.

Guarantee for Job Competency

If a recipient of an Associate of Applied Science degree or Certificate of Completion is judged by their employer to be lacking in technical job skills identified as exit competencies for their specific degree program, the graduate will be provided up to 12 tuition-free credit hours or additional skill training by NCTC under the conditions of the guarantee policy. Special conditions which apply to the guarantee include the following:

1. The graduate must have earned the Associate of Applied Science degree or Certificate of Completion beginning May, 1992 or thereafter in a technical, vocational or occupational program identified in the college's General Catalog.
2. The graduate must have completed requirements for the Associate of Applied Science degree or Certificate of Completion with the NCTC system, with a minimum 75 percent of credits earned at NCTC and must have completed the degree or certificate within a five-year span.
3. Graduates must be employed full-time in an area directly related to the area of program concentration as certified by the appropriate Department Chair.
4. Employment must commence within 12 months of graduation.
5. The employer must certify in writing that the employee is lacking entry-level skills identified by NCTC as program exit competencies and must specify the areas of deficiency within 90 days of the graduate's initial employment.
6. The employer, graduate, Department Chair and appropriate faculty member will develop a written educational plan for retraining.

7. Retraining will be limited to 12 credit hours or additional skill training related to the identified skill deficiency and to those classes regularly scheduled during the period covered by the retraining plan.
8. All retraining must be completed within a calendar year from the time the educational plan is agreed upon.
9. The graduate and/or employer is responsible for the cost of books, insurance, uniforms, fees and other course- related expenses.
10. The guarantee does not imply that the graduate will pass any licensing or qualifying examination for a particular career.

A student's sole remedy against NCTC and its employees for skill deficiencies shall be limited to 12 credit hours of tuition-free education under the conditions described above. Activation of the "Graduate Guarantee Program" may be initiated by the graduate by contacting the appropriate Department Chair within 90 days of the graduate's initial employment.

Graduation/Degree Requirements

A student must have a cumulative GPA of at least 2.0 in the work presented for any degree. To be a candidate for graduation from North Central Texas College, a student must complete a minimum of 15 semester hours in residence for any degree or certificate.

(Refer to [NCTC Catalog](#) for specific requirements for degrees and certificates).

Reverse Transfer

A student can finish an associate degree at NCTC after transferring to a university. Credits earned at a four-year college or university are evaluated to determine if the credits taken will fulfill requirements for an associate degree.

Application for Graduation

To ensure consideration as a candidate for a degree or certificate, a student should submit an application for graduation at the beginning of the semester they intend to graduate, or be identified as expected to graduate by the Graduation Office. Students identified by this process will be notified by mail or email regarding their award. The application can be found by logging into [mynctc.edu](#).

Deadlines for submitting graduation applications are: May graduation – March 15; December graduation – October 15. All graduating students are encouraged to submit a graduation application, regardless of intent to participate in the ceremony to ensure the desired name is printed on the diploma as well as the correct address of mailing the diploma. Graduation applications received after the deadline will be processed, but the student's name will not be published in the graduation program.

An evaluation of course work submitted to fulfill degree requirements must be completed before candidacy for graduation is approved. Any student within 12 hours of finishing a credential may participate in May commencement. Those applying for May graduation must fulfill all requirements by the end of the second summer session following the semester they applied. Diplomas are granted only after all requirements are met.

Commencement

NCTC certifies graduates three times a year; in the fall, spring and summer semesters. NCTC holds formal commencement ceremonies twice each year—in May and December.

Students are encouraged to participate in spring or fall commencement ceremonies after applying to graduate. Degrees are officially conferred when the Graduation Office certifies that all requirements have been met; therefore, participation in the graduation ceremony does not confer on a student any rights to a degree. NCTC makes a special effort to give graduates and their families a beautiful and memorable ceremony to mark this important milestone in their lives.

There is no fee to participate in the commencement exercises; however, the student must purchase the required cap and gown from the NCTC campus bookstore in order to participate in the ceremony.

NCTC reserves the right to post degrees and/or certificates for current or former students who have met completion requirements but have not applied for graduation. Diplomas will be automatically issued and sent to the mailing address on file.

Graduation Honors

Graduation honors will be awarded for students with the following cumulative grade point averages earned by the end of the Fall semester prior to the May graduation ceremony and by the end of the summer session prior to the December graduation ceremony. A minimum of 29 hours (earned at NCTC by the end of the Fall semester prior to the May graduation ceremony and by the end of the summer session prior to the December graduation ceremony) will be required in order to be considered for graduation honors.

4.0 GPA	<i>summa cum laude</i>
3 .90-3.99 GPA	<i>magna cum laude</i>

Catalog Restrictions

Students may graduate under any approved degree plan from: (1) the catalog in effect at the time of first enrollment at NCTC, (2) the current catalog, or (3) a subsequent catalog in effect during enrollment as long as the program of study is still offered. In addition to this, the catalog may not be more than five years old and enrollment must have occurred during that year and earned college credit for work completed. The options above only apply provided the student meets the requirements not later than five years from the date of the catalog selected.

Alumni Association

Former NCTC students (including non-graduates) are encouraged to join the Alumni Association to stay in contact with former classmates, provide input in the future direction of the college, stay in touch through the Alumni Experience on the NCTC App, become an ambassador of NCTC, have the opportunity to have an alumni spotlight feature and to stay informed about college programs, virtual and in-person activities, students and personnel. Contact the NCTC Alumni Association Office at 940-668-4213, or go to alumni.nctc.edu.

Student Rights Concerning Educational Records

Under FERPA The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They include:

Right to Review Records

NCTC students have the right to inspect and review their education records within 45 days of the day the College receives a request for access. Students should submit to the Registrar a written request that identifies the record(s) they wish to inspect. The Registrar will make arrangements for access and notify the students of the time and place where the records may be inspected.

Right to Correct Errors

NCTC students have the right to request that an amendment be added to their educational records if they believe the records are inaccurate or misleading. They should provide this request to the Registrar, clearly identify the part of the record they want to be changed, and specify why it is inaccurate or misleading. The Registrar will notify the student of their judgment to amend and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

Right to Disclose Information

NCTC students have the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests.

The name and address of the Office that administers FERPA complaints can be located at:

STUDENT RIGHTS AND RESPONSIBILITIES

North Central Texas is an academic community committed to education, learning, discovery, and service in a caring environment that embraces diversity and promotes the wellbeing of our students. NCTC has an interest in the education, ethics, safety, and welfare of all members of this community. All students assume obligations of performance and behavior reflective of the college's mission and values.

All students have rights and responsibilities. The Student Code of Conduct addresses, reduces and prevents behavior that undermines academic success and detracts from the educational mission of the NCTC which ensures the health and safety of the college community; and to provide timely support and resources for students.

Amnesty for Good Samaritans

NCTC encourages students to offer assistance to other students in need, both on and off campus. When a student seeks medical assistance for a student in need, both parties will receive amnesty from disciplinary action for any related Student Code of Conduct violation. This policy exists for students who are hesitant to offer assistance to other students for fear of being disciplined for policy violations themselves.

An example of a Good Samaritan situation may include a student at an off-campus party who is drinking alcohol in violation of the law or the Student Code of Conduct. If this person learns of a sexual assault at this party and comes forward or otherwise requests assistance for a victim while at the party, the person reporting the incident, along with the victim/complainant or others who report the situation, will not be held responsible by NCTC for an alcohol policy violation. NCTC policy is that it is more important to seek help right away for the individual(s) in danger, than worry about the effect of potential disciplinary or Student Code of Conduct violations.

All violations involving academic misconduct, regardless of severity, shall be forwarded to the Vice Chancellor of Administrative Affairs or designee for College District recordkeeping and reporting purposes.

In cases involving academic misconduct, the hearing body shall consult with the appropriate faculty member or academic official during the sanctioning phase to determine the appropriate sanctions for the student.

Non-Academic Disciplinary Sanctions

The Vice Chancellor of Administrative Affairs or designee shall have the authority to impose the following nonacademic disciplinary sanctions, or combination of sanctions (with or without appropriate modifications) for incidents where there is a violation of the Student Code of Conduct, applicable College District policies or regulations and/or violation of federal, state and local laws, rules, regulations and ordinances:

13. **Expulsion** – Permanent forced withdrawal from the College District. The student shall not be permitted on College District property without the prior written approval of the Vice Chancellor of Administrative Affairs or designee. A student receiving disciplinary expulsion shall have the action noted in his or her permanent record.

Repeated infractions or misconduct of a minor nature may lead to more severe disciplinary actions. Certain disciplinary sanctions may result in a financial cost to the student.

If a student fails to complete a nonacademic disciplinary sanction by the required deadline, a hold may be placed on the student's record.

Immediate Disciplinary Action

The Vice Chancellor of Administrative Affairs or designee may take immediate disciplinary action, including suspension pending a hearing, against a student for policy violations if the continuing presence of the student poses a danger to persons or property or an ongoing threat of disrupting the educational environment.

An information session and hearing must be scheduled and conducted in accordance with the normal hearing procedures. (See *Hearing Forums and Formats* or [FMA (LOCAL)])

Suspended or Expelled Students

No former student who has been suspended or expelled for disciplinary reasons from the College shall be permitted on any campus or other facilities of the College during the period of suspension or expulsion without the prior written approval of the College Chancellor or a designated representative.

Students who are suspended or expelled may be asked to vacate the campus premises immediately, particularly in cases where a duly authorized administrative official can show due cause to believe that such action is necessary to protect life, health and/or property or to maintain reasonable order.

Disciplinary Record

The College District shall maintain for every student who has been charged with misconduct at the College District, a written disciplinary record that reflects the nature of the charge, the disposition of the charge, the penalty assessed, if any and any other pertinent information. The disciplinary record shall be separate from the student's academic record and shall be treated as confidential. The contents of such record shall not be revealed except upon request of the student or in accordance with applicable federal or state laws.

A student's disciplinary record shall normally be retained for five years following the student's graduation or withdrawal from the College District.

A student may submit a request to expunge or remove a disciplinary record upon graduation for minor violations prior to the five- year record retention requirement.

Disciplinary records involving sanctions of suspension, or expulsion shall not be considered for expungement or removal prior to the retention date.

Discipline Hearing Procedures

Discipline and Penalties: [See FMA (Local)]

Filing a Report of Alleged Misconduct

Any member of the College District community or law enforcement agency may file a report alleging violation of College District policies, including the rules for student conduct [see FLB], committed by a student to the Dean of Students and Outreach 940.498.6245 within a reasonable time following an alleged incident by completing a Student Incident Report at <https://nctc.guardianconduct.com/incident-reporting>.

Complainants are encouraged to file as soon as possible after the date of the alleged violation. Failure to do so may impact the investigation.

For nonacademic incidents, which may result in nonacademic sanctions, the allegations must be submitted to the Vice Chancellor of Administrative Affairs or designee through one of the following:

- The College District Campus Police Department
- A written and signed statement
- A Student Incident Report form
- A verifiable electronic source
- Another law enforcement agency

For academic dishonesty cases, the incident must be submitted in writing by a faculty member on the College District's Academic Dishonesty Report form to the appropriate Department Chair. A copy of the form may be provided to the student.

For reports of sex discrimination or sexual harassment see *Sexual Misconduct and Title IX*.

Investigation of Alleged Violations

Within ten College District business days from receipt of the written report of the allegations, the Vice Chancellor of Administrative Affairs or designee shall investigate the matter, as necessary and determine whether the allegations warrant disciplinary action.

If an allegation is insufficient for formal charges, the Vice Chancellor of Administrative Affairs or designee shall dismiss the allegation and shall provide the appropriate parties with written notice that the allegation of misconduct made against the student was unsubstantiated and the reason for this determination.

If the allegation is deemed to have merit, the Vice Chancellor of Administrative Affairs or designee may take disciplinary action by providing a notice of the charges to the accused student.

Notice of Charge

If the Vice Chancellor of Administrative Affairs or designee determines the allegation warrants disciplinary action, they shall provide the accused student a written charge notice. The notice shall include:

1. The alleged violation or violations;
2. The source of the information for the alleged violation;
3. A summary of the alleged incident;
4. A specific charge from the College District's Student Conduct Code; and
5. An invitation to an information session.

Information Session:

Upon request by the student an Information Session may be scheduled. An information session shall be held within five College District business days following the date of the charge notice. If the accused student fails to attend the information session, a hearing may be scheduled in the student's absence.

At the information session, the Vice Chancellor of Administrative Affairs or designee shall provide the student with his or her rights and responsibilities under the Student Conduct Code and if applicable, schedule a time for a hearing no sooner than five College District business days after completion of the information session. The rights and responsibilities of a student include:

1. Accept responsibility for the alleged violations as is, waive the right to a formal hearing and opt for an informal hearing (summary resolution) and immediate decision at the time of the information session; OR
2. Not accept responsibility and thus, choose a formal hearing.

Burden of Proof

The burden of proof in determining whether the accused student is responsible or not responsible for violation of the Student Conduct Code rests with the College District in proving such violation occurred by the accused student.

The standard of proof used in determining responsibility is a preponderance of the evidence. Thus, for a student to be found responsible for a violation, the evidence must indicate it is more likely than not that the violation occurred.

Hearing Forums and Formats

Informal Hearing (Summary Resolution)

If the student chooses an informal hearing, the hearing body may dispose of the matter through a summary resolution of mutual consent of the parties involved, if applicable and issue the appropriate sanctions as outlined in the student code of conduct. Informal hearings shall not be recorded and the written decision of the hearing body stands as the official record of the hearing. In this circumstance, the accused student can only appeal in cases where it is believed the sanctions are disproportionate to the violation.

Formal Hearing

If the student chooses a formal hearing, the Vice Chancellor of Administrative Affairs or designee shall:

1. Schedule a formal hearing with the accused student no sooner than five College District business days after completion of the information session. The student may waive this right and submit a written request to have an earlier hearing date; and
2. Provide the accused student notice of the hearing date at least five College District business days prior to the date of the hearing. Failure of the accused student to be present at the hearing without prior notification shall result in the hearing being held in the accused student's absence.

Formal hearings may be audio recorded and the recording shall serve as the official record of the hearing.

When possible, the formal hearing shall be presented in the following order:

1. Hearing body presents the formal charges, alleged violations and summary of the incident resulting in the charges.
2. Opening statement by the hearing body.
3. Opening statement by the accused student. This may be waived by the accused student.
4. Questions directed to the accused student by the hearing body.
5. Hearing body presents evidence and witnesses (separately), followed by questioning of those witnesses by the hearing body and accused student. Witnesses shall be dismissed. The hearing body reserves the right to determine the process for witness cross-examination to ensure efficacy of the hearing.
6. Accused student presents evidence and witnesses (separately), followed by questioning of those witnesses by the accused student and hearing body. Witnesses shall be dismissed. The hearing body reserves the right to determine the process for witness cross-examination to ensure efficacy of the hearing.
7. Follow-up questions directed to the accused student by the hearing body.
8. Hearing body provides closing statement.
9. Accused student provides closing statement. This may be waived by the accused student.
10. Hearing body closes hearing.
11. Accused student and any parties except the hearing body shall be dismissed.
12. Hearing body deliberates and makes decision. In cases involving academic misconduct, the hearing body shall consult with the appropriate faculty member or academic official during the sanctioning phase to determine the appropriate sanctions for the student.

Decision

The hearing body shall provide the student with a final decision, in writing, within five College District business days from the date of the hearing. The hearing body reserves the right to extend the deadline if further deliberation is necessary due to the complexity of the case or other factors which unavoidably delay the decision. The accused student must be notified of the extension.

Student Rights

A **student charged with an alleged violation** of the Student Conduct Code shall have the right to the following:

1. Receive written notice of the specific charges, violations and the allegations upon which the charges are being filed by the hearing body;
2. Receive a fair and impartial hearing;
3. Seek assistance and support from an adviser at one's own choice and expense. The adviser shall be permitted to accompany the accused to the hearing, but shall not speak for or on behalf of the accused;
4. Review all relevant information regarding the charges against the accused student;
5. Present supporting evidence and witnesses on his or her own behalf. A witness shall only be allowed to speak to the incident in question. The accused student shall be responsible for arranging for any witnesses to speak on his or her behalf;
6. Question witnesses in accordance with the formal hearing procedures;
7. Refrain from providing self-incriminating testimony. This right shall not be afforded to a student organization;
8. If found responsible, request a copy of the impact statement submitted by the victim or complainant, as applicable;
9. Receive a copy of the final decision in writing; and
10. Appeal the decision within the specified criteria for appeal.

Alleged victim or complainant rights apply to cases of violence or harassment, including, but not limited to, sexual misconduct, harassment, endangerment, stalking, or hazing. The victim or complainant shall have the right to the following:

1. Attend an information session to review the charges against the accused student, relevant information related to the case and obtain information regarding the conduct process;
2. Request that his or her name not be disclosed to the accused student or that no investigation or disciplinary action be pursued to address sexual violence. The Vice Chancellor of Administrative Affairs or designee may move forward with an investigation and hearing if it is determined that doing so meets the College District's Title IX obligation;
3. Be informed of the available hearing options under the Student Conduct Code;
4. Seek assistance and support from an adviser at one's own choice and expense. The adviser shall be permitted to accompany the victim or complainant, but shall not be permitted to speak for or on behalf of the victim or complainant;
5. Have his or her unrelated past behavior excluded from the hearing as determined by the hearing body so long as fundamental due process rights of the accused student are upheld;
6. Request to testify in a separate room from the accused student so long as fundamental due process rights of the accused student are upheld;
7. Request to be present throughout the entirety of the hearing, or portions thereof. The hearing body reserves the right to make the final decision on this request;
8. Question the accused student and witnesses through the process of posing the questions through the hearing body as intermediate;
9. Submit a written impact statement to the hearing body, which shall only be used during the sanctioning phase, if applicable. The accused student has the right to request a copy of the impact statement, if found responsible;
10. Receive notification of the hearing outcome and final decision so long as the notification does not violate the rights of the accused student; and
11. Appeal the decision of the hearing body under the same criteria as the accused student.

An information session and hearing must be scheduled and conducted in accordance with the normal hearing procedures.

Interim Disciplinary Action

The vice chancellor of student services or designee may take immediate disciplinary action, including suspension pending a hearing, against a student for policy violations if the continuing presence of the student poses a danger to persons or property or an ongoing threat of disrupting the educational environment. An information session and hearing must be scheduled and conducted in accordance with the normal hearing procedures.

Appeals

The accused student and victim or complainant (if applicable) shall have the right to file a request for an appeal of the first-level decision to the Vice Chancellor of Administrative Affairs or designee. In cases where the Vice Chancellor of Administrative Affairs presided over the first level hearing, the appeal request may be filed with the College Chancellor designee.

An appeal shall not be a rehearing of the case, but rather a review of the official record, evidence and documents used by the first-level hearing body, except in cases where new evidence is made available.

The burden of proof rests with the accused to prove that an appeal is warranted.

The request for appeal must be filed within ten College District business days from the date of the decision letter.

Failure to submit an appeal request by the deadline shall result in forfeiture of the right to appeal and the first level decision shall stand as the final decision.

Pending Appeal

Once an appeal request has been filed, the sanctions, except in the case of an interim suspension, shall be temporarily postponed pending the final outcome of the appeal process.

Grounds for Appeal

The grounds for filing an appeal shall be limited to the following:

1. Due process rights were violated, which substantially impacted the decision of the first-level hearing body;
2. New evidence not available at the time of the hearing has been discovered that could have altered the decision by the first-level hearing body;
3. The decision reached was NOT based on a preponderance of the evidence that it was more likely than not that there was violation of the Student Conduct Code; or
4. The sanctions imposed were disproportionate or not appropriate for the violation.

Appeal Request Review

Upon receipt of an appeal request, the Vice Chancellor of Administrative Affairs or designee shall determine whether there is sufficient cause to grant the appeal solely based on the written appeal request and official record of the first-level hearing.

If the appellate body determines that there are insufficient grounds for an appeal, it shall deny the appeal request, thus upholding the first-level decision and sanctions. The final written decision must be sent to the accused within ten College District business days of receipt of the appeal request.

If the appellate body determines that there is sufficient cause for an appeal, it shall grant an appeal and, if applicable, schedule an appeal hearing with the accused student and witnesses within seven College District business days of receipt of the written appeal request. If a hearing is scheduled, the appeal hearing shall be conducted in a fair and impartial manner and audio recorded. The accused student and victim or complainant (if applicable) shall have the opportunity to bring an adviser.

Appellate Decision

If the appellate body determines that there are sufficient grounds for an appeal, it may decide, with rationale, one of the following:

1. Modify the first-level decision or sanctions, including, but not limited to, the reduction, removal, or reversal of specific violations, charges, or sanctions;
2. Reverse the first-level decision; or
3. In cases where new evidence has become available or due process rights were substantially violated, remand the decision back to the original hearing body for review, given the new evidence or due process violation correction.

The appellate body must provide a copy of the final appeal decision in writing to the accused student within ten College District business days of its decision.

In cases involving suspension, the Vice Chancellor of Administrative Affairs or designee shall provide the College Chancellor with a notice of the suspension or expulsion. This decision shall be final.

Expulsion Review by College District Administration

Within ten College District business days of receiving notice from the appellate body, a student expelled from the College District shall have the right to submit a written petition for NCTC's Chancellor to review the decision. The student's petition shall state with particularity why the decision is believed to be incorrect. After receiving notice of the

appeal, the appellate body shall forward all evidence considered during the hearing, the audio recording of the hearing and the digest of the hearing, if applicable, to the Chancellor.

The Chancellor may hold a conference within ten College District business days after the expulsion review request is filed if they determine that there is sufficient cause for review.

At the conference, if applicable, the student may provide information concerning any documents or information relied on by the appellate body. The College Chancellor may set reasonable time limits for the conference. The conference shall be audio recorded.

The Chancellor shall provide the student a written response, stating the basis of the decision, within ten College District business days following the conference. In reaching a decision, the Chancellor may consider the evidence included in the student's petition, provided during the conference and forwarded by the appellate body's chairperson. The Chancellor may act to affirm, modify, remand, or reverse the decision of the appellate body.

The Chancellor reserves the right to extend the time frame for any portion of the expulsion review process due to the complexity of the case or other factors that unavoidably delay the decision.

The decision of the Chancellor shall be final.

Student Complaints

[See Board Policy FLD (Local)]

Purpose

The purpose of this policy is to secure at the first possible level prompt an equitable resolution of student complaints, including those alleging discrimination on the basis of race, religion, color, sex, age, national origin, or disability.

Representation

The student may be represented at any level of the complaint.

Discussion of Complaint

The College District encourages students to discuss their concerns with the appropriate instructor for academic issues or other campus administrators who have the authority to address their concerns.

Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent. A student may initiate an informal process by verbal, electronic communication, hand-delivered correspondence, or US Mail but shall not extend any deadlines in this policy, except by mutual written consent. In most circumstances, a student's complaints are resolved. If a student did not receive the relief requested, the student is asked to follow the Formal Resolution Process with the Division Chair or Student Services designee.

Even after initiating the formal complaint process, students are encouraged to seek informal resolution of their concerns. A student whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

Neither the Board nor any College District employee shall unlawfully retaliate against any student for bringing a concern or complaint.

The College District shall inform students of this policy through appropriate College District publications.

In this policy, the terms "**complaint**" and "**grievance**" shall have the same meaning.

Other Complaint Processes

Student complaints shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with FLD after the relevant complaint process:

- ADA compliance [FFDA]
- Sexual harassment [FFDA]
- Alleging discrimination or harassment based on race, color, gender, national origin, disability, age, or religion. [See FFDB]
- Complaints concerning retaliation relating to discrimination and harassment. [See FFDB]
- Complaints concerning disciplinary decisions. [See FMA and FLD]
- Complaints concerning course grades. [See FLDB]
- Complaints concerning a commissioned peace officer who is an employee of the College District. [See CHA]

General Provisions

Complaint forms and appeal notices may be filed by hand delivery, electronic communication, including email and fax, or U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the appropriate administrator or designee by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

The College District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If a student fails to appear at a scheduled conference, the College District may hold the conference and issue a decision in the student's absence.

At Levels One, Two, Three and Four "**response**" shall mean a written communication to the student from the appropriate administrator or designee. Responses may be hand-delivered, sent by electronic communication to the student's e-mail address of record, or sent by U.S. Mail to the student's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

"**Days**" shall mean College District business days. In calculating time lines under this policy, the day a document is filed is "day zero." The following day is "day one."

"**Representative**" shall mean any person who or organization that is designated by the student to represent the student in the complaint process.

The student may designate a representative through written notice to the College District at any level of this process. If the student designates a representative with fewer than three days' notice to the College District before a scheduled conference or hearing, the College District may reschedule the conference or hearing to a later date, if desired, in order to include the College District's counsel. The College District may be represented by counsel at any level of the process.

Complaints arising out of an event or a series of related events shall be addressed in one complaint. A student shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the student, at any point during the complaint process. The student may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and Appeal Forms under this policy shall be submitted in writing on a form provided by the College District.

Copies of any documents that support the complaint should be attached to the complaint form. If the student does not have copies of these documents, copies may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the student unless the student did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.

LEVEL ONE

Complaint forms must be filed:

1. Within 15 days of the date the student first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem. In cases involving academic or educational matters (i.e., classroom, course, lab, clinical and the like), the student must file the complaint with the faculty member prior to filing a complaint form with the lowest level administrator, except under circumstances where the allegation involves harassment, retaliation, discrimination, or other forms of misconduct where the student may be more comfortable filing a complaint with the first level administrator, or as protected by federal, state, or local law.

In most circumstances, students shall file Level One complaints with the department chairperson or student services supervisor. If the only administrator who has authority to remedy the alleged problem is the Level Two or Level Three administrator, the complaint may begin at Level Two or Level Three, respectively, following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the student within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the student a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information

provided at the Level One conference and any relevant documents or information the administrator believes will help resolve the complaint.

LEVEL TWO

If the student did not receive the relief requested at Level One or if the time for a response has expired, the student may request a conference with the academic dean or dean of students to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the College District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student may request a copy of the Level One record.
